

## Legal / Contractual Obligation

County Charter 8.10 states "The auditor shall conduct performance audits of all county operations and financial affairs and make reports thereof to the board of county commissioners according to generally accepted government auditing standards [GAGAS]. The auditor may also conduct studies intended to measure or improve the performance of county efforts." GAGAS include continuing education requirements and regular external reviews. Charter requires the Auditor to appoint the Salary Commission and apportion Commission districts. County Code created the Auditor's role to support the Audit Committee.
