Last Year this program was: FY 2021: 15104 Child Support Enforcement

Collections have increased this year to the highest ever--over \$33 million. This has allowed SED to get more funds directly into the hands of struggling parents so they could provide housing, clothing, food and other essentials for their children. SED has proven that it can adapt to a remote work environment and provide the highest level of service to Multnomah County families. SED aims to serve families in a way that promotes equity and engagement to parents in supporting their children financially and emotionally.

State funding reduction of \$26,127 is backfilled using county general funds and results in a partial FTE shift from Other Funds to General Fund
