Clackamas Fire District #1

(BALLOT TITLE CAPTION: Merge Estacada Fire District No. 69 with Clackamas Fire District #1.)

On January 1, 2020, Estacada Rural Fire District No. 69 (Estacada Fire) entered into an 18-month intergovernmental agreement with Clackamas Fire District #1 (Clackamas Fire). The parties agreed that Clackamas Fire would furnish all fire and life safety services to the Estacada Fire service area, including fire protection, fire prevention and emergency medical services. Under this agreement, all Estacada Fire employees became employees of Clackamas Fire District #1, all Estacada Fire volunteers became volunteers of Clackamas Fire, and Estacada Fire pays a monthly fee to Clackamas Fire for providing all services. If passed, this proposed merger would formalize and permanently legally integrate Estacada Fire into Clackamas Fire and the parties would terminate the existing intergovernmental agreement.

Clackamas Fire District #1 is a large fire protection district that serves over 235,000 citizens within the cities of Happy Valley, Johnson City, Milwaukie, Oregon City and the unincorporated areas of Beavercreek, Boring, Carus, Carver, Central Point, Clarkes, Damascus, Eagle Creek, Oak Lodge, Redland, South End, Sunnyside and Westwood. Clackamas Fire provides a wide range of services, including: fire suppression, advanced life support, emergency medical care, fire prevention, swift water rescue, hazardous materials response, Community Emergency Response Teams, emergency management, community education, community paramedic and other programs. Clackamas Fire responds to the communities' needs from 21 community fire stations with a workforce of approximately 290 employees and 75 community volunteers.

If this measure passes, Estacada Fire's permanent tax rate of \$2.4029 per \$1,000 of assessed property value would decrease to \$2.4012 per \$1,000 of assessed value. Clackamas Fire's permanent tax rate would be \$2.4012 per \$1,000 of assessed value. Clackamas Fire intends to increase Estacada Main Station staffing to four firefighters, with one paramedic on duty at all times, effective July 1, 2021. Response capabilities would increase to the communities of Eagle Creek, Highland, Logan, Boring and Clarkes with the proposed additional firefighters staffing the Estacada Main Station.

Clackamas Fire District #1 has a 2015 general obligation bond. Clackamas Fire's debt payments for that bond will not be charged to Estacada Fire District No.69 residents, as all funds generated from the bond sales have been expended on capital projects within Clackamas Fire's current boundaries.

By a majority vote, the Board of Directors of Clackamas Fire District #1 has determined that a proposed merger of the Estacada Fire District into Clackamas Fire District #1 is in the best interest of the Clackamas Fire District #1 residents and the Board of Directors therefore submit this question to the Fire District voters as required by state law.
