

Get ahead of your health

Benefits for County employees on the PPO 400 plan to help manage specific chronic conditions.

If you have ongoing health issues, seeing your provider regularly can help you better manage your condition and improve your quality of life. If you are on the Moda Health PPO 400 County medical plan, you have access to enhanced benefits for chronic condition management. These enhanced benefits cover specific services with no deductible or copay when you see an in-network provider.

Your enhanced benefits include:

- 1 In-network office visits with a diagnosis of any of the following conditions:
 - Asthma
 - Diabetes
 - Heart disease
 - High cholesterol
 - High blood pressure
 - Mental health
 - Chemical dependency

- 2 The following routine labs related to your chronic condition diagnosis are covered at no cost to you, at any in-network provider.
 - Diabetes A1C
 - Cholesterol/Lipid panel

Make your chronic care visit appointment today!

Take advantage of these enhanced benefits to improve your health. Schedule a chronic care visit with an in-network doctor today and get ahead of your condition!
