Executive Summary

A Home for Everyone (AHFE) has prioritized a range of supportive housing programs to meet the needs of hundreds of adults experiencing homelessness who are disabled by mental illness or medical conditions, including HIV/AIDS. AHFE also holds achieving racial equity as a core goal, and eliminating disparate rates of homelessness on the basis of race and ethnicity must be a focus of programming. This program offer is central to the partnership with Portland Housing Bureau to significantly expand supportive housing by 2028. The program continues highly effective long-term rent assistance and wrap around support services that will assist people to access and/or retain permanent housing. These housing strategies are nationally recognized best practices, and leverage other State, local and Federal resources.

Program Summary

The most recent Point-In-Time Count identified nearly 1,800 individuals who have been homeless for more than a year and are living with one or more severe disabilities. This program provides continued support for permanent supportive housing (PSH) for these chronically homeless adults, offering a combination of deeply affordable housing and ongoing support services proven locally and nationally to be the most effective and cost effective way to end homelessness for this population.

These targeted investments leverage other Federal, State and local resources including U.S. Department of Housing and Urban Development’s (HUD) Housing Opportunities for Persons with AIDS (HOPWA) and Continuum of Care (CoC) programs, Medicaid, affordable housing units and permanent rental subsidies to support 800 vulnerable adults experiencing homelessness to secure and retain permanent housing. In some cases, the program provides match for a HUD CoC or HOPWA grant. In other cases, the program funds long-term rental subsidies and mental health focused housing placement and retention, and support services are leveraged through other systems.

Services are delivered by skilled nonprofit partners that provide housing, intensive case management and support services for chronically homeless adults who have a combination of diagnoses including chemical dependency, mental illness, cognitive and/or physical disabilities, and/or chronic medical conditions. Other specific activities include intensive street engagement, staffing of mental health and culturally specific providers working in partnership with Portland Police to provide housing placement and retention for people with mental illnesses, and recovery-focused transitional housing.
