Total Revenue	\$283,612	\$0	\$273,612	\$10,000

Explanation of Revenues

- \$ 266,112 - The City of Portland, Bureau of Environmental Services
- \$ 10,000 - State of Oregon, West Nile Virus
- \$ 5,000 - Oregon Zoo
- \$ 1,500 - Maywood Park
- \$ 1,000 - Penalty Enforcement

Significant Program Changes

Last Year this program was: FY 2021: 40008A Vector-Borne Disease Prevention and Code Enforcement

Significant Changes: There is no service level capacity change from FY21 to FY22 as the FY21 A and B offers are collapsed into a single FY22 offer.

COVID-19-Related Impacts: In FY21, a portion of Vector staff were reassigned to COVID-19 response for periods of time but services continued. To keep providing services during COVID-19, Vector implemented social distancing during inspections, teleworking, reporting directly to field for field workers, and staggering work schedules. The program saw an increase in rat inspections due to more people working from home and noticing local rat issues and creating more rat harborage (trash, etc.). Finally, all community outreach events such as Fix it Fairs, OMSI, Portland Community gardens, local neighborhood meetings, etc., which significantly reduced the program's ability to proactively teach and engage the community in vector prevention. In FY22, Vector anticipates facing some similar challenges but still maintaining services.
