

Multnomah County Central Courthouse Pre-Construction Open House

Stop by to talk and learn about construction and design

THE EVENT INCLUDES INFORMATION ABOUT:

- Construction planning, including an animation of the construction sequence
- Latest renderings showing interior and exterior features
- Project opportunities for sub-contractors and workforce
- Project schedule and funding plan
- Sustainability features

The open house will have a drop-in format with displays, videos and opportunities to talk with project team members. There is no scheduled presentation. The public will have an opportunity to comment on construction and design issues using our comment form.

The downtown courthouse is on the transit mall, served by many bus and light rail lines. Visit trimet.org to plan your trip. Attendees with special needs, such as translation assistance, should call 503-209-4111 at least 48 hours in advance.

Visit www.multco.us/central-courthouse for more information about the project.
