

Job Title: Engineering Technician 1 (intern)

Seasonal Temporary Position: June through September

Job Salary: \$21.59/hr (9/80 schedule, every two week, 7:30 AM-5:00PM, Monday-Thursday, one Friday 7:30AM-4:00PM and the other DAY OFF)

Location: Yeon Annex (1600 SE 190th Ave, Portland, OR 97233)

Multnomah County is seeking an Engineer Technician 1 (intern) to work for the County Surveyor's Office performing field and office duties.

The Multnomah County Transportation Division manages and preserves the county road infrastructure and provides a safe and efficient transportation system that supports economic and community vitality. With 297 miles of roads to manage, our staff is committed to maintaining the community's livability. Our primary goals are to provide safe transportation for the public, to protect the public investment by preserving our roads infrastructure, and to help plan for the transportation needs of the 500,000 new residents expected in the Portland area by the year 2020.

This position will have an emphasis in the following duties:

Serve as a member of a survey field crew performing surveys for government corner restoration and maintenance, road construction, and field inspections of land division plats. Assist with various office duties including GIS and development review work.

Education and Experience:

We are looking for someone with major course work in an engineering or surveying technology, construction management, or a related field, or two years of job training, internships, or work study experience.

- Basic knowledge of land surveying field techniques
- Basic knowledge of land surveying fundamentals
- Ability to work in rough terrain
- Ability to communicate clearly both orally and in writing

Veterans' Preference: Under Oregon Law, qualifying veterans may apply for veterans' preference for this recruitment. Review our [veterans' preference website](#) for details about eligibility and how to apply.

For veterans qualified for Veterans' Preference: If you believe you have skills that would transfer well to this position and/or special qualifications that relate to this position, please

list those skills and/or qualifications in the box below. Clearly explain how those skills and/or qualifications apply.

Application Instructions:

Please fill out and submit an application for this position through the form link provided by your program coordinator. The deadline for submitting online application is March 31, 2017.
