The content of any and all communications using the County computer system is not privileged and may be subject to County review.

c. Access to the Multnomah Commons by any individual outside the County raises major issues of policy related to privacy, security and cost. Therefore, the Union business agent may have such access only if:

attend official AFL-CIO or other certified AFSCME activities. Additional paid time may be
granted by mutual agreement of the parties. No more than one (1) bargaining unit member

written approval of the Dental Director.

Business (Union Reimbursable Time).

Written notice of such time away from work shall be given to the affected employee’s
immediate supervisor and to the County Labor Relations Director ten (10) working days
in advance. The Union will make every effort to avoid disruptions of work. The Union shall
reimburse the County for one hundred percent (100%) of the affected employees salary
and fringe benefits (including pro-rata cost of workers compensation premiums, but
excluding indirect administration or overhead charges) for straight time spent on Union
activities conducted during regularly scheduled working hours. The County shall submit
a monthly statement to the Union itemizing the amount of the Union’s reimbursement
obligation, and may directly withdraw the amount required from a fund maintained with
the County. Funds for this purpose shall be drawn from the existing interest-bearing
account created under Article 5.III.E.2 of the County’s collective bargaining agreement
with the Local 88 general unit. If the County incurs liability arising from the activities of a
member engaged in Union Business during such reimbursed time, the Union further
agrees to reimburse the County for losses caused by such activities, to the extent that
such losses are attributable to the acts of the employee receiving continued
compensation pursuant to this section. In the event of a dispute over the causation or
amount of loss attributable to the actions of Union agents, the parties agree to arbitrate
such dispute under unless such arbitration is inconsistent with the provisions of any

**B. Health Care Cost During the Term of Agreement**

The County agrees to notify the Union any time there is a proposed change in plan design or optional changes proposed by carriers that would impact plan design
cost or plan designs, and to meet with the Union upon request. Objections to plan or plan
design changes mandated by a carrier that cannot be resolved by meeting shall be
subject to impact bargaining. Mandated coverage changes due to Federal or State laws,
rules, or regulations shall be presented to the Union but will be implemented by the
County as required by law.

The Union and the County have shared interest in addressing increasing health
insurance costs. In an effort to collaborate together over quality health plans, design
changes and cost management, the parties agree to participate on an Employee Benefits
Advisory Team (EBAT) with such other County employee bargaining units as agree to
participate, to review and consider health plans, design changes and cost sharing
features. The EBAT will be advisory only, and will report member recommendations to
the County Chair. EBAT does not preclude the parties from entering into any Memoranda
of agreement (MOA) authorizing mutually agreed-upon plan changes. The Union will be
titled to one representative bargaining unit member on the EBAT; in addition, all
AFSCME-represented bargaining units shall collectively be entitled to an AFSCME
Council Representative participation on the EBAT.

C. Health & Welfare Re-opener

After January 1, 2021, and upon written request to the other, either party
reopen this article for negotiations, including but not limited to plan design changes, the
number of plans available, and employee cost sharing, for the purpose of addressing the
Excise Tax of the Affordable Care Act of 2010 (ACA) or any economic penalty of similar
effect or impact. The reopener of Article 8 will be subject to the same rules and bargaining
process that pertains to full contract successor negotiations and Article 6 (No Strike-No
Lockout) will be suspended as to any Article 8 dispute arising therefrom.

D. Employee Contribution

Employee’s contributions will be made through payroll deductions. Enrollment in a County sponsored medical benefit plan coverage and associated
employee contribution is mandatory for employees who do not “Opt Out” of medical
benefit plan coverage.

E. Major Medical Plan Rebates
Full-time employees who elect coverage under the Major Medical Plan will be paid fifty dollars ($50) (gross) per month.

F. Opt-Out of Medical Plan Benefits

1. Employees may elect to Opt Out of the County’s medical benefit plan coverage by making that election on their Benefit Enrollment form. Employees making such election must provide proof of other group medical benefit plan coverage in order to make the Opt Out election. Employees will not be eligible to change their election until the County’s official annual open enrollment period, unless the employee experiences an IRS recognized family status change event that would allow a mid-year health plan election change or qualifies for Special Enrollment under HIPAA.

2. Full-Time Employees Who Opt Out

Full-time employees who Opt Out of benefit plan coverage will receive a reimbursement paid by the County of two-hundred-fifty dollars ($250) (gross) per month.

3. Part-Time Employees who Opt-Out

Part-time employees who Opt-Out of medical benefit plan coverage will receive a reimbursement paid by the County of one hundred twenty-five dollars ($125) (gross) per month.

4. Employees may also elect to decline dental plan coverage through the County. However, there is no reimbursement associated with declining dental coverage and no proof of other dental coverage is required. Employees will not be eligible to change this election until the County’s official annual open enrollment period unless the employee experiences an IRS-recognized family status change event that would allow a mid-year health plan election change or qualifies for Special Enrollment under HIPAA.

G. Successor Plans and Carriers

In the event that any of the current benefit plans become unavailable, the County agrees to provide to affected employees a substitute plan for the same service delivery type, if available, at substantially the same or better benefit levels. If a plan or carrier is discontinued and no substitute plan is available of the same service delivery type, the employee will be offered the option to enroll in an alternative service delivery plan.
If the County chooses to change from a plan or carrier which is still available, the County agrees that the overall existing level of benefits for each plan will not be reduced. Notwithstanding the other provisions of this subsection, in the event that the State of Oregon establishes an insurance pool available to local governments, the County may provide medical, dental, vision, and/or prescription insurance from the plans offered under said insurance pool without further obligation than to bargain cost share of the plan(s) available therein.

II. Other Benefits

A. Life Insurance

The County agrees to provide each employee covered by this agreement with term life insurance in the amount of one times (1x) their annual salary up to a maximum of two hundred and fifty thousand dollars ($250,000). Retirees of Multnomah County with at least ten (10) years of service with the County will be provided with two thousand dollars ($2,000) term life insurance coverage upon retirement. Employees will designate their beneficiaries. Employees, at their option, may purchase supplemental term life insurance coverage consistent with carrier contract(s) by payroll deduction. Premiums will vary according to the age of the insured.

B. Disability

1. Short-Term

All bargaining unit employees will be covered by the County-paid short-term disability insurance program, at the following coverage level: Sixty Percent (60%) of base earning to one thousand five hundred dollars ($1,500) per week.

2. Long-Term

a. The County will provide long-term disability insurance to all members of the bargaining unit who are regularly scheduled to work at least half-time at the following level: Sixty Percent (60%) of base earnings to six thousand dollars ($6,000) per month.

b. The County will pay for COBRA medical and dental insurance coverage for a period of up to six months beyond the month in which benefits would normally terminate for an employee with an approved long-term disability claim. Members must complete and return the COBRA enrollment form as required by law in order to
receive premium payments by the County. However, employees who “opt out” of benefits coverage under the provisions of Article 8, Section 1.G. of this Agreement will not be eligible for continued County-paid coverage under this section.

C. **Long Term Care**

Any bargaining unit employee covered by this agreement may participate in a long term care insurance program developed by the Union and the County (consistent with carrier contracts), the monthly premiums to be paid individually through payroll deduction.

D. **VEBA**

1. The County will contribute an amount equal to one percent (1%) of each Dentist’s semi-monthly salary (excluding any premium differentials) toward each Dentist’s HRA VEBA account. The 1% is a fixed rate; however the dollar amount of contributions will be impacted by COLA and step increases. This HRA VEBA contribution will remain in place until the County or the Union has given at least sixty (60) days’ notice to the other party that it wishes to discontinue the contribution or change the contribution amount.

2. If the request is to change the amount, such change can only be made by mutual agreement of the parties with implementation of a new memorandum of agreement reflecting the new amount.

3. If the contribution is discontinued, each step of the Dentists’ salary schedule will be increased by an amount equal to one percent (1%), effective with the first pay period after the date the contribution is discontinued. Individuals who have been placed on the salary schedule will therefore experience an increase in their base salary. Dentists who are paid at a rate higher than their assigned step (and are therefore not paid according to the salary schedule) at the time of the salary schedule adjustment will have their individual salary rate adjusted, effective with the first pay period after the date the contribution is discontinued.

4. It is hereby agreed that the County will make an additional monthly contribution to the HRA VEBA accounts of Dentists who opt-out of medical benefits per Article 8.I.F. in the amount specified in that agreement. This HRA VEBA contribution will remain in place until the County or the Union has given at least sixty (60) days’ notice to
the other party that it wishes to discontinue the funding arrangement. If the funding arrangement is discontinued, Dentists who opt-out of the County’s medical benefits would thereafter receive any monthly opt-out amount as a gross monthly payment on the second paycheck of the month.

E. **Indemnification and Board of Dentistry Complaints**

1. The County shall defend and indemnify employees consistent with applicable state law. Liability indemnification includes claims arising out of events occurring during the course and scope of the unit member’s employment, and extends beyond the termination of employment with the County.

2. In the event that a County Dentist is served with a complaint by the Oregon Board of Dentistry related to a patient seen at a Multnomah County Health Dental Clinic during the course of the Dentist’s County employment, the County will provide the following support and assistance to the Dentist, so long as the complaint does not allege malfeasance or willful or wanton neglect of duty, or create a conflict of interest for the County as determined by the County Attorney’s Office:

   a. Dental Leadership will support and assist the Dentist in understanding the Board complaint process, preparing a narrative response and clinical evidence, and gathering Board-requested documents to furnish to the Oregon Board of Dentistry;

   b. Dental Leadership will allow the Dentist to use a reasonable amount of paid work time, with supervisor approval, in order to prepare for the process. This may include meeting with leadership, meeting with legal counsel, and sitting for the Board of Dentistry inquiry;

   c. The County Attorney’s Office may, at the County Attorney’s discretion, hire outside legal counsel to defend the Dentist at the County’s expense;

   d. If Dental Leadership declines to provide support and assistance on the grounds that the complaint alleges malfeasance or willful or wanton neglect of duty, the Dentist shall have the right to appeal that decision for review by a panel made up of the ICS Director, the Medical Director, a representative from Health Department Human Resources, and a representative from the County Attorney’s Office.
e. Even where Dental Leadership and/or the review panel decline to provide general support and assistance due to malfeasance, willful or wanton neglect of duty, or conflict of interest, the County will assist the Dentist by gathering Board-requested documents to furnish to the Oregon Board of Dentistry.

An employee who separates from county service and returns will be given credit toward additional vacation accrual rates for service prior to separation. Vacation will accrue incrementally each pay period. For accrual purposes, “day” is defined as a unit of eight (8) hours.

C. Less than 1.0 FTE

Each employee regularly scheduled to work .5 FTE through .99 FTE accrues vacation credit on a pro rata basis.

D. Scheduling and Use of Accrued Vacation

1. Annual vacation must be requested in accordance with the block system; additional vacation may be requested on an ad hoc basis, and requires supervisor approval. Time will be charged to vacation leave only for full-day absences from work. Total vacation accrued must not exceed the maximum allowable accruals set forth section (B) above.
2. All practicable effort will be made to respond to *ad hoc* requests for vacation within fourteen (14) calendar days of, and no later than twenty-one (21) days after, the request being submitted. *Ad hoc* requests will be granted in order of receipt.

3. Scheduling of vacation leave will be consistent with policy #ICS.01.20 with the following exceptions:

   a. On-Call Dentists shall be included in the total number of Dentists for the minimum staffing levels in each clinic identified in the policy, if the request for vacation is made within six (6) weeks of the proposed vacation.

   b. If multiple Dentists have made a request for the same vacation dates and the matter can’t be resolved voluntarily between the employees, the most senior Dentist will have a once-per-calendar-year right of first refusal.

E. **Leave of Absence Accrual**

   Vacation leave shall not accrue during leave of absence without pay.

F. **New Hires**

   Full-time employees new to county service receive the equivalent of their entire first year vacation leave accrual upon appointment and commencement of work in lieu of accruing vacation leave during the first year of employment. Full-time employees newly rehired to county service are also eligible to receive the same benefit during the first year of return to county service as long as they have had at least a two (2) year break in employment with the county. Thereafter, vacation earnings and reporting is as provided in this section. Employees who separate from county service prior to the end of one (1) full year of employment will be paid only for the vacation accumulation to which they would be entitled if it had been accrued.

G. **Payoff**

   After one year of County employment, unused accrued earned vacation time shall be paid to the employee at their regular rate of pay at the time of separation for service.

II. **Paid Sick Leave**

   A. **Definition and Allowable Use**

   Sick leave is a leave of absence with pay which may only be used when the employee is directly affected by any of the health conditions listed below, or when...
specified others are affected by the conditions listed, and require the employee’s care.

As used in this Article, “protected sick time” refers to sick leave protected under the Oregon state Sick Time Law, ORS 653.601(6), *et seq*. The first forty (40) hours per year of “paid sick time,” as defined under ORS 653.601(6), are protected under Oregon’s state sick leave law. Accrued sick leave taken in excess of forty (40) hours per year is not covered or protected under the state sick leave law, but may be considered protected leave under other state and federal laws.

1. **Specified others**
   Sick leave may be used by an employee for the following non-occupational conditions involving the employee or conditions of a
   a. Member of the employee’s immediate household; or
   b. The employee’s spouse, parent, or children as defined in the federal Family and Medical Leave Act (hereafter referred to as the “FMLA”); or
   c. The employee’s parents-in-law, grandparents or grandchildren as defined in the Oregon Family Leave Act (hereafter referred to as “OFLA”); or
   d. The employee’s domestic partner as designated in an Affidavit of Domestic Partnership submitted to the Employee Benefits; or
   e. The children and parents of such domestic partner defined as if the domestic partner was the employee’s spouse; or
   f. Any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship. During negotiations for this Agreement, the parties had extensive discussion on clarifying this definition of family relationship. The parties agree to adopt the definition of family resulting from the discussion between Local 88 and County for the General Unit.

2. **Covered health conditions**
   a. Mental or physical illness, injury, or health condition; need for medical diagnosis, care or treatment of a mental or physical illness injury or health condition; or time off needed for preventative care; or
   b. Any qualified condition covered by FMLA or OFLA, regardless of whether the employee meets statutory eligibility requirements or
c. Medical, dental, and employee assistance program appointments; or
d. Any qualified purpose allowed under Oregon’s domestic violence, harassment, sexual assault or stalking law; or
e. Any other illness, injury, or quarantine based on exposure to contagious disease; or
f. In the event of public health emergency as defined by Oregon Sick Time Law.

B. Accrual

For accrual purposes, “day” is defined as a unit of eight (8) hours. Sick leave will accrue each pay period on the following schedule:

1. Each employee regularly scheduled to work 1.0 FTE will accrue sick leave at the rate of twelve (12) days per year or ninety-six (96) hours.
2. Employees regularly scheduled to work .5 through .99 FTE will accrue sick leave on a pro rata basis.

C. Use and Misuse of Leave for Sick Leave Purposes

1. Counting Against FMLA, OFLA Entitlements

Sick leave and any other forms of paid or unpaid leave used for FMLA and/or OFLA qualifying conditions, or absence due to a deferred or approved Workers’ Compensation claim based on such conditions, will be counted against an employee’s annual FMLA and/or OFLA leave entitlements subject to the provisions of the law.

2. Legitimate Use

a. Protected sick time under the Oregon Sick Time Law (ORS 653.601 to .661) is limited to the first forty (40) hours of sick time taken by an employee each calendar year.

b. Verification of use:

   i. Pursuant to Multnomah County policy, Management must require the completion of a certification form by the employee’s health care provider and any other verification required for under the provisions of the FMLA, OFLA, or their successors.
ii. The County may require an employee to submit written medical verification from a health care provider to receive sick leave benefit for any non-FMLA or non-OFLA condition under any of the following circumstances:

(a) the employee has missed work due to illness for more than three (3) consecutive work days; or

(b) the employee has requested leave that is scheduled to last more than three (3) scheduled work days: or

(c) the employee has exhausted all sick leave; or

(d) whenever the County can articulate reasonable cause to believe that a misuse or abuse of sick leave has occurred, including questionable usage, questionable patterns of usage or calling in sick on a previously denied day off, provided the employee has been previously notified by a supervisor or Human Resources representative that, due to such concerns, future verification may be required. After an employee has exceeded the amount of sick leave protected under the Oregon Sick Time Law, employees notified of such reasonable cause described in this paragraph may be required to furnish certification as referenced above for each use of sick leave for a period not to exceed six (6) months following the notice; or

(e) when the employee has exceeded the amount of sick leave protected under the Oregon Sick Time Law and has called in sick five (5) or more times for separate events in any six (6) month period, regardless of how the time is charged and the employee has been notified by a supervisor or Human Resources representative that such verification will be required for a period up to six (6) months following the notice.

c. **Discipline:**

Subject to the limitations of law, including but not limited to those of the FMLA, OFLA, discipline may be imposed under the following conditions:

i. **Abuse of sick leave**

Misuse of leave, violation of orders, directives, or contractual requirements concerning the use of sick leave and other forms of leave used in lieu of sick leave are cause for disciplinary action.

ii. **Use of accrued sick leave**
(a) Use of accrued sick leave, without abuse of such leave, will not be cause for discipline.

(b) When the intermittent use of accrued sick leave or other paid or unpaid leave used in lieu of sick leave interferes significantly with an employee’s ability to perform the duties of their job, management may do the following (subject to the requirements of law, including, but not limited to, FMLA, OFLA, and the Oregon Sick Time Law):

   (i) Require the employee to take continuous leave; or

   (ii) Change the employee’s work assignment for six (6) months or until use of intermittent leave ends, whichever comes sooner; in such cases, restrictions otherwise set out in this Agreement will not apply.

iii. Excessive absenteeism

   The parties recognize that every employee has a duty to be reliably present at work, and that failure to confine sick leave usage to accrued and available sick leave raises the possibility of discipline for excessive absenteeism. Such cases, however, are subject to just cause review and require systematic examination of relevant factors, including but not limited to:

   (a) Any legal requirements, including, but not limited to those of the FMLA, OFLA, Oregon Sick Time Law or the ADA;

   (b) The tenure and work history of the employee, specifically to include whether there have been previous instances of this pattern of absenteeism;

   (c) Whether there is a likelihood of improvement within a reasonable period of time based on credible medical evidence;

   (d) The particular attendance requirements of the employee’s job;

   (e) The pattern of use, and whether the absences are clearly for bona fide sick leave purposes.

C. New Hires
Full-time employees new to county service will receive twelve (12) days sick leave upon appointment and commencement of work in lieu of accruing sick leave during the first year. Thereafter, sick leave will accrue as stated in the above section.

D. **Workers’ Compensation**

Sick leave accruals may only be used for time that is not compensable under Workers’ Compensation.

E. **Maximum**

There is no maximum limit on the amount of sick leave that an employee may accrue.

F. **Charging of Sick Leave**

Time will be charged to sick leave only in half- or full-day increments for absences from work, to the extent allowed by state and federal law; however, an employee’s leave bank will not be charged for the first three (3) qualifying partial day absences in the calendar year. For example:

1. An employee scheduled to work ten (10) hours who takes sick leave after initially reporting to work will not have that leave charged to their sick leave bank until after the third occurrence in the calendar year.

2. The same employee, after the third occurrence of a partial day absence, who takes sick leave after initially reporting to work but before the beginning of the sixth hour or work, will have a half-day (five (5) hours) of sick leave charged to their sick leave bank.

G. **Separation from Employment**

At the time of separation from county service, the county does not compensate employees for unused sick leave.

I. **Reinstatement of Sick Leave Accruals**

1. Any employee who separates from County employment for any reason other than layoff or PERS retirement, who is subsequently re-employed as a regular status employee within one hundred eighty (180) days, is entitled to credit for all sick leave accrued up to the last day of prior employment. Sick leave shall not accrue during the period between separation from employment and re-employment.

2. Employees who were laid off from County employment or are serving

**ARTICLE 9, PAID LEAVES**
in a temporary or on-call position following layoff will have their sick leave balance
restored when they are recalled from layoff.

III. Holidays

A. Recognized and Observed Holidays

Each full-time employee is entitled to the following paid holidays:

1. Any day declared a holiday by the Board of County Commissioners
2. New Year's Day (January 1st)
3. Dr. Rev. Martin Luther King, Jr.'s birthday (3rd Monday in January)
4. President's Day (3rd Monday in February)
5. Memorial Day (last Monday in May)
6. Independence Day (July 4th)
7. Labor Day (1st Monday in September)
8. Veteran’s Day (November 11th)
9. Thanksgiving Day (4th Thursday in November)
10. One (1) day to be used as a floating holiday during the fiscal year provided the employee gives two (2) weeks’ notice and has the consent of the employee’s supervisor. If the supervisor determines the holiday usage requested is impracticable, the employee shall be credited with one (1) day of Saved Holiday time, subject to requirements of Section E below.

The one (1) day of leave shall be accrued and determined based on the employee’s regularly assigned work schedule. Part-time employees will accrue the saved holiday prorated based on their normal FTE.

11. Christmas Day (December 25th) or, with approval of supervisors, this day may be traded for any other religious holiday during the fiscal year if employees use paid leave for or work on December 25th.

To be eligible for pay on an observed holiday, an employee must be in pay status both on the employee’s scheduled work day before and the employee’s scheduled work day after the holiday.

B. Holiday Observance

1. Five (5) Day Work Week
(a) If the holiday falls on an employee’s first scheduled day off, the preceding workday will be observed as that employee’s holiday.

(b) If the holiday falls on an employee’s second scheduled day off, the following workday will be observed as that employee’s holiday.

2. **Four (4) Day Work Week**

(a) If the holiday falls on an employee’s first or second scheduled day off, the preceding work day will be observed as that employee’s holiday.

(b) If the holiday falls on an employee’s third scheduled day off, the following workday will be observed as that employee’s holiday.

3. **Part-time employees, and full-time employees on an irregular schedule.**

   The holidays designated above are the observed holidays if they fall on an employee’s regular workday. Employees will be credited with saved holiday time for the holiday leave to which they would have been entitled if the holiday does not fall on a regular workday.

4. Employees working five (5) eight (8)-hour shifts per week will be entitled to eight (8) hours of leave; employees working four (4) ten (10)-hour shifts per week will be entitled to ten (10) hours of leave; and employees working nine-eighty (9/80) work schedules will be entitled to nine (9) hours of leave, except as specified otherwise.

   C. Part-time employees are entitled to paid leave on observed holidays on a pro rata basis.

   D. If an employee is on authorized leave with pay when a paid holiday occurs, the holiday will be paid and will not be charged against the leave.

   E. Any saved holiday time not used by the end of the fiscal year in which it was accrued is forfeited. The saved holiday time usage is subject to the same rules as vacation leave, except that employees who separate from county employment will not be paid for accumulated saved or personal holiday leave.

IV. **Recognition Leave**

   Recognition leave may be granted as set forth in MCPR 4-30-040(A.4). Grant or no-grant of recognition leave shall be entirely at the Director’s or Director’s designee’s discretion, and shall not be subject to grievance.
V. **Jury Duty**

A. An employee shall be granted leave with full pay in lieu of jury fees on any scheduled day of work they are required to report for jury duty, if upon receipt the employee submits jury fees or evidence of waiver of jury fees to Payroll. Employees may retain reimbursement provided for by statute for mileage and other expenses incurred as a result of jury service.

B. Except during an emergency or due to operational requirements, the county will not require employees to report to work after completing a full day on jury duty. Any employee who is excused or dismissed from jury duty before the end of the day will report back to work if practical. Employees will not be allowed to flex their work schedule, in order to receive compensation for jury duty on a normally scheduled day off, unless specified in labor agreement.

VI. **Bereavement Leave**

An employee shall be granted not more than three (3) days leave of absence with full pay in event of death in the immediate family or immediate household of the employee to make household adjustments or to attend funeral services. If such funeral is beyond three-hundred and fifty (350) miles, the employee shall be granted additional time for travel not to exceed three (3) additional days with pay. The amount of additional leave shall be at the discretion of their supervisor on the basis of the employee’s travel and personal needs. With sufficient advance notice, bereavement leave days may be taken non-consecutively provided they are taken within thirteen (13) months from the date of first use.

For purposes of Bereavement Leave, an employee’s immediate family shall be defined as the employee’s spouse or domestic partner or the employee’s, spouse’s or domestic partner’s:

- **A. parents**
- **B. step-parents**
- **C. children**
- **D. step children**
- **E. siblings**
- **F. step-siblings**

G. grandchildren
H. grandparents
I. brothers-in-law
J. sisters-in-law

Immediate household shall be defined as any person residing at the employee's residence on a regular basis.

For any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship, such leave of absence shall be granted by the employee's supervisor. In the event that the supervisor denies such a request for bereavement leave, the employee may request review of the decision by the Department Director.
ARTICLE 10
WORKERS' COMPENSATION AND
SUPPLEMENTAL BENEFITS

I. Coverage
All members of the bargaining unit are provided workers' compensation coverage as required by the Oregon Workers' Compensation Law.

II. Employee Status
The period of time that an employee is off the job and unable to work by reason of a disability compensable under the Workers' Compensation Law, shall not interrupt continued employment for service credit for retirement vesting unless the employee's attending physician (as that term is defined under ORS 656.005(12)) or the Oregon Workers' Compensation Division certifies to the County in writing that the employee will be permanently disabled and unable to return to the County service and fully perform the duties of the position the employee occupied at the time of injury. In such event, the employee's status shall be governed exclusively by applicable state statutes related to re-employment and non-discrimination.

III. Supplemental Benefits
A. The County will supplement workers' compensation time loss benefits received by employees for temporary total disability due to occupational injury, illness or disease by an amount which, coupled with workers' compensation payments, will provide disabled employees with the equivalent of one hundred percent (100%) of their net take-home pay (as calculated under workers' compensation regulations).

B. The County will make retirement contributions, based upon the gross dollar amount of supplemental benefits paid, throughout the period that the employee receives time loss benefits.

C. Employees will continue to accrue sick and vacation leave at regular rates during the period employees receive supplemental time loss benefits.

D. Supplemental pay is payable while the injured worker is receiving temporary total disability time loss payments and will end when the worker has a light duty or limited duty release to return to work, and such duty work is available to the injured worker. Such
supplemental benefits will continue for six hundred forty (640) hours or for the number of
hours of sick leave the employee has accrued, whichever is higher. An employee’s sick
leave accrual is not, however, used to pay for supplemental benefits provided by the
County.

E. Supplemental benefits will be paid on the injured workers’ regular payday.

IV. Wages

A. To the extent not compensated by workers’ compensation benefits, the first
day of occupational disability shall be compensated as time worked.

B. To the extent not compensated by workers’ compensation benefits, the day
following the first day of occupational disability and the next succeeding day shall be
compensated as time worked if such days would have been work days.

V. Denied Claims

A. If a workers’ compensation claim is denied and later found to be compensable
or held compensable upon appeal and the employee has been utilizing sick, vacation, or
holiday leave, the employee will reimburse the County for any accrual payments and the
employee’s sick, vacation, or holiday leave account will be credited with an equivalent
number of hours.

B. If an employee’s workers’ compensation claim is denied before the employee
returns to work, the employee is entitled to request continued medical and dental
coverage at the employee’s expense, under COBRA regulations.

C. If a denied claim is later held compensable upon appeal, the employee will be
entitled to:

1. Reimbursement of any premiums paid to the County for medical/dental
benefits, and

2. Any supplemental benefits that have not already been paid in
accordance with “Section III” of this Article.

VI. Benefits

The County will continue contributions toward medical and dental benefits for the
employee and the employee’s dependent(s) from the first day of occupational disability,
subject to the provisions of Article 8, Health and Welfare for a period of one (1) year or
such longer period as may be required by law.
VII. Borrowing of Sick Leave

Nothing in this Article may be construed to permit borrowing of sick leave not accrued by and available to the employee.
ARTICLE 11
SENIORITY AND LAYOFF

I. Definition of Seniority
Seniority will be determined as follows:
A. The total length of continuous service, including time employed as a
temporary employee but not including time employed as an on-call employee, with the
County in the Dentist classification; if a tie occurs, then
B. Total length of continuous service within the County; if a tie occurs, then
C. It shall be broken by lot in a manner to be determined by the Central Human
Resources Division.

II. Computation of Seniority
Seniority shall be in accordance with the following rules:
1. Part-time work will count on a full-time basis.
2. Time on authorized leave taken with pay will count.
3. When an authorized non-FMLA/OFLA leave without pay exceeds thirty (30)
days, no time spent on that leave will count.
4. When a layoff exceeds thirty (30) days, no time spent on layoff will count.
5. Time spent working for another government in an equivalent classification
will count if the employee was transferred to Multnomah County pursuant to ORS 236.610
through 236.650.
6. Time spent in unclassified or management service appointment status shall
not count, except for purposes of vacation accrual. Seniority accrued while in the
bargaining unit shall not be forfeited due to promotion into management service.
7. Seniority shall be forfeited by discharge for cause, voluntary termination, or,
after layoff, by removal from all recall lists pursuant to "Section IV" of this article, transfer
or promotion out of the bargaining unit.
8. Service is broken for purposes of this Article by discharge; voluntary quit
from employment with Multnomah County; or transfer out of the bargaining unit except
employees who have not completed a probationary period following promotion will be
returned to the position previously held; employees who do not complete an initial trial

ARTICLE 11, SENIORITY AND LAYOFF
service period; or, expiration of the layoff list.

III. Layoff

A. Employees Affected

1. Should the County find it necessary to reduce the number of Dentists through layoff, the County will identify the clinic and provider category from which the layoff shall be made and the Dentist at the clinic in the provider category of the position being eliminated with the lowest length of service will be affected.

2. Provider categories shall be defined as: a) General Dentistry (including Corrections Health) non-Preferred Providers; b) Pediatric Preferred Provider; c) Oral Surgery Preferred Provider; and d) Endodontics Preferred Provider.

B. Layoff Rules

The County will notify employees affected by layoff of their reassignment or layoff, according to the provisions of this section.

C. Reassignment of Employees During a Layoff

Employees holding positions to be discontinued will be subject to the following order of seniority:

1. Reassignment to a position, or if the employee does not have enough seniority, then

2. Layoff

D. Non-Regular Employees During a Layoff

1. Temporary, non-regular initial trial service, and other employees who do not have regular status and who are occupying budgeted positions will be terminated before employees with regular status are affected by layoff. Employees without status that are terminated will not be placed on recall lists and do not have bumping rights.

2. Probationary employees laid off will be placed on reinstatement lists for one year from the date of their layoff. They may, at the County’s discretion, be reinstated if there are no employees who are on a recall list. Probationary employees who are reinstated will be treated as if they have been on a leave of absence for purposes of computing seniority and length of probationary period.

E. Layoff Processing for Employees on a Leave of Absence Without Pay

1. Employee notification
Employees who are on a leave of absence without pay which is scheduled to continue after the layoff effective date and are expected by the County to be affected by an upcoming layoff process will be notified in writing and given an option to return from leave.

2. **Use of positions during the layoff process**

   If no response is received by the County within five (5) days of written notification, or if the employee declines to return from leave of absence, or if the employee is unable to return from leave of absence, the position from which the employee is on leave of absence will be treated as a vacant position during the layoff process and will be available to be filled by another employee who is affected by the layoff process, according to the provisions of this article.

3. **Return from family medical leave without pay**

   After a layoff process affecting the employee’s classification has occurred, employees who are on Family Medical Leave without pay immediately prior to returning to work will return to the position formerly held, and the employee occupying that position will be reassigned according to seniority pursuant to this article.

4. **Return from other leave without pay**

   After a layoff process has occurred, employees not on Family Medical Leave without pay immediately prior to returning to work will be reassigned according to seniority pursuant to this article.

5. **Recalculation of seniority after leave of absence without pay**

   All employees on leave of absence without pay that exceeds thirty (30) days will have their seniority recalculated upon their return from leave so that none of the time on the leave of absence without pay counts toward seniority per Section II.B.3 of this article.

IV. **Bumping**

   A. **Bumping Definition**

      The replacement of an employee with less seniority by an employee with more seniority.

   B. **The Bumping Process**

      1. Vacancies that are created and approved by the Board of County...
Article 11, Seniority and Layoff

Commissioners to be effective the day following the layoff date shall be treated as vacancies available during a layoff process.

2. Reassignment of employees to vacant positions within their provider category, if available, will always take precedence over their bumping another employee; where multiple vacancies within the Dentist’s provider category are available, the employee will be reassigned based on their preference.

3. If bumping is necessary, the least senior employee within the provider category from which the layoff is being made will be bumped: a Preferred Provider may bump into General Dentistry, if they are the least senior employee in their Preferred Provider category but hold more seniority than the least senior General Dentistry provider.

4. By mutual agreement between the County and the Union, an employee in the General Dentistry category may take a vacant position in a preferred provider category, but will serve a ninety (90) day trial service period. If an employee is on paid leave or unpaid leave for more than fourteen (14) consecutive calendar days during the ninety (90) day trial service period, the trial service period will be extended by the length of the employee’s absence. If during the trial service period the Dental Director determines that the employee is not satisfactorily performing the duties of the assignment, then the employee shall be removed from the assignment and, if no other bumping option is available, shall be placed on the recall list in accordance with Article 11.V.

5. Employees who are reassigned to a position pursuant to these provisions, and do not accept that position, will be deemed to have resigned.

6. Employees may not be reassigned to positions under this article unless qualified to perform the duties of that position. Employees may be denied rights otherwise available under these provisions only if they lack knowledge, skills, or abilities required for the position or patient population, that are not easily learned on the job within ninety (90) days. Employees may be required to take and pass qualifying examinations in order to establish their rights to specific positions.

V. Notice and Recall List

A. Employees who are subject to reassignment or layoff pursuant to the provisions of this article shall receive a notice in writing at least fifteen (15) days prior to
such action. The notice shall state the reason for the action and shall further state that the action does not reflect discredit on the employee. The Union will be provided a copy of the notice.

**B.** Employees who are laid off or reassigned between full-time and part-time status will be placed on the recall lists within provider category, according to seniority. Employees will be placed on all the recall lists that meet the criteria below. (For example, employees who are reassigned from full-time to part-time will be placed on the recall lists for full-time appointment)

1. Employees who are laid off will be placed on the recall list.
2. Employees who are reassigned from full-time to part-time will be placed on the list for recall to full-time assignment.
3. Employees who are reassigned from part-time to full-time will be placed on the list for recall to part-time assignment.

**C.** Employees will remain on a recall list for twenty-four (24) months from the date of placement on the list. Within that time period, employees will be removed from the recall list only under the following circumstances:

1. Upon written request of the employee; or
2. Upon their retirement; or
3. Upon acceptance of permanent recall from the list; or
4. Upon declining an offer of permanent recall; or
5. Upon the employee’s failure to respond to a certified letter sent to the employee’s last known address within fourteen (14) days of mailing;
6. Disciplinary termination for cause; or
7. Failure to maintain Oregon Board of Dentistry licensure.

**D.** Employees who are laid off and are on recall list(s) and return to permanent County employment for any reason will be treated as if they have been on a leave of absence without pay for the purpose of computing seniority.

**VI. Recall**

**A.** Employees on a recall list will be certified in order of seniority, before applicants who qualify through examination, provided they are qualified to perform the duties of the position. Employees on a recall list shall be offered appointment to
vacancies, in order of seniority, except when they lack knowledge, skills or abilities required for the position that are not easily learned on the job within ninety (90) days. Employees may be required to take and pass qualifying examinations in order to establish their rights to specific positions. The hiring manager is required to state in writing what qualification(s) the employee lacks that the position requires. The employee will remain on the recall list for certification to other vacancies during their term of eligibility.

B. Failure to recall an employee, except as provided above, will be deemed a dismissal of that employee for cause and will be reviewed and processed according to the provisions of Article 14 - Disciplinary Action.

VII. Seniority Application

A. The above terms for determination of seniority shall apply not only to the layoff process, but also to other situations in which seniority is applied, including total service for the purpose of vacation accrual rates.

B. Seniority determinations shall have no application to retirement matters.

C. The County agrees to make available to the Union upon request copies of any personnel list the County maintains regarding seniority or classification changes.

VIII. Posting Process

A. Seniority List Posting

County agrees to maintain up to date seniority list posted at all times. Updated list will be mailed to the Union.

B. Seniority List Appeal Process: Errors on new lists

Employees who have concerns about the calculation of their seniority on any new list shall consult with management and the Union. If an employee’s concerns remain unresolved, the Union may file a formal written grievance at Step 3 of the grievance procedure.

IX. Seniority of and Bumping by Exempt Employees

A. The only exempt employees who may bump into the bargaining unit are those who have previously been a member of the Dentist Bargaining Unit.

B. Only time served in the Dentist Bargaining Unit shall apply for bumping purposes.
ARTICLE 12
PERSONNEL FILE

I. Definition
For the purposes of this article “personnel file” refers to the formal file of personnel documents maintained by Health Department Human Resources Office.

II. Access to Personnel File Materials
A. An employee or their representative, with the written consent of the employee, may inspect that employee’s personnel file. Upon written request, an employee or their authorized representative will be given a copy of any material in the employee’s personnel file.
B. An employee will be given a copy of any statement written for inclusion in the employee’s personnel file concerning the employee’s conduct or work performance.

III. Written Response
An employee may respond in writing to any item placed in their official personnel file. Any written response will become a part of the file.

IV. Removal of File Materials
A. An employee may request to have removed from their personnel file any letter of reprimand which is more than two (2) years old. If the subject of the discipline is not demonstrably related to client care, the letter shall be removed and shall not be considered in any subsequent disciplinary action.
B. A single letter imposing discipline more severe than a letter of reprimand, which is more than five (5) years old, shall be removed from an employee’s personnel file upon their request if the subject of the discipline is not demonstrably related to client care. If removed, the letter shall not be considered in any subsequent disciplinary action.
C. If there is more than one (1) letter imposing discipline which is more severe than a letter of reprimand on file, none of the letters may be removed until the most recent letter is more than five (5) years old. At that time it and all previous disciplinary letters will be removed from the employee’s personnel file upon request if the subject of the discipline is not demonstrably related to client care.
D. For the purpose of this subsection “letter” includes all attachments. Disciplinary actions which are eligible for removal under this provision but have not yet been removed will not be considered in any subsequent disciplinary action.

V. Performance Evaluation

A. The parties jointly aspire that all bargaining unit members receive annual performance evaluations. The County retains its Management Rights to develop, implement, and revise performance evaluation processes, as it deems appropriate.

B. An employee has the right to attach a response to any evaluations in their personnel file within thirty (30) days of the receipt.

C. Performance evaluations shall be signed (or otherwise electronically acknowledged) by the employee’s supervisor, who shall bear ultimate responsibility for the content of the evaluation.

D. Should a “360° Evaluation” be used, it shall not exclusively constitute the evaluation process but rather may be a component of the performance evaluation.

E. County performance evaluation forms will include a section on individual training and career development.
ARTICLE 13
EMPLOYMENT RELATIONS COMMITTEE

To promote harmonious relations and aid internal communications, the parties agree to establish a Dentists Employment Relations Committee ("DERC") within thirty (30) days following the signing of the contract. The County’s DERC members will be the following or their designees: Health Department Director, Health Department Dental Director, Health Department Human Resources Director and a representative from the County’s Labor Relations Division. The Union’s DERC members will be the AFSCME Council Representative and no more than one (1) bargaining unit member from each clinic, who will be released from duty to serve on the DERC without loss of pay. In selecting members, the Union shall take into account such other considerations as are necessary to prevent disruption of operations.

The DERC will establish regular meetings every four (4) months that will occur in conjunction with the corresponding Provider Meeting. These DERC meetings will fall during normal working hours and will be scheduled insofar as practical to avoid disruptions and interruptions of work. The committee may discuss any matter pertinent to maintaining good employer-employee relations. Each party will attempt to give the other reasonable advance notice, insofar as practical, of the agenda items it wishes to discuss at the next meeting. The parties’ first meeting shall occur within sixty (60) days following signing of this agreement by both parties.
ARTICLE 14
DISCIPLINARY ACTION

I. Forms of Discipline for Cause and Notice Requirements
Employees may, in good faith for cause, be subject to disciplinary action by oral or written reprimand, reduction in pay, suspension, dismissal, or any combination of the above; provided, however, that such action shall take effect only after the supervisor gives written notice of the action and cause to the employee and provides written notice to the Union. Oral or written reprimands do not require prior written notice.

II. Definition of Cause
Cause shall include misconduct, inefficiency, incompetence, insubordination, indolence, malfeasance, or failing to fulfill responsibilities as an employee as determined by the Dental Director, but subject to review under Article 15.IV. This article does not adopt any other definition or test of cause, but does not preclude either party from arguing any particular standard of cause.

III. Appeal Rights
A. Written Reprimand
Any regular, non-initial trial service employee who is reprimanded in writing shall have the right to appeal the reprimand to the Integrated Clinical Services (ICS) Director or designee.

B. Reduction in Pay, Suspension, or Dismissal
Any regular, non-initial trial service employee for whom reduction in pay, suspension, or dismissal is imposed shall have the right to request review of the imposed discipline within thirty (30) days of receipt of the letter imposing disciplinary action as set out in Article 15 – Settlement of Disputes, IV. Disciplinary Review Process. The employee shall submit the request either to the supervisor who imposed the discipline or directly to the Dental Director.

C. Other
Written documents (excluding performance evaluations) given to an employee that address deficient work performance/conduct and are not discipline may be appealed to the Dental Director.
IV. **Manner of Accomplishing Reprimands**

If the County has reason to reprimand an employee, every reasonable effort will be made to accomplish the reprimand in a manner that will not embarrass the employee before other employees or the public.

V. **No Abridgement of Rights**

Nothing in this contract shall be construed to abridge any employee’s constitutional or civil rights. Employees have the right to Union representation. If the employee so desires, they shall be afforded Union representation.
ARTICLE 15

SETTLEMENT OF DISPUTES

I. Grievance Procedure

Any grievance or dispute which may arise between the parties, involving the application, meaning or interpretation of this Agreement, shall be settled in the following manner:

II. Grievance Not Related To Discipline

A. Before filing a grievance concerning a non-disciplinary matter, the aggrieved employee and/or the Union will attempt to resolve the issue informally.

B. A grievance is filed when the grievant or the grievant’s union representative submits a written statement of the grievance at the appropriate step of the grievance procedure. The grievant may use a grievance form provided by the Union or submit a memorandum containing the following information:

1. Name of the grievant(s)
2. The date of filing
3. A description of the relevant facts upon which the grievance is based and the explanation of the grievance
4. A list of the articles and sections of the contract allegedly violated
5. An explanation of how the alleged facts violate the articles/sections
6. A description of remedy sought

C. In order to be timely, grievances must be filed as follows:

1. Non-disciplinary grievances must be filed within thirty (30) days of the alleged violation of the contract, or within thirty (30) days of the date on which either the grievant or the grievant’s representative became aware or should have become aware, of its occurrence. Whether or not the grievant or the union was aware of the alleged violation, no grievance may be filed more than sixty (60) days from the date of its occurrence. However, the sixty (60) day limitation cited above is not intended to affect the pursuit of grievances regarding alleged ongoing violations of the contract.

2. For the purposes of this article, as in the rest of this Agreement, "days" means "calendar days," unless otherwise specified. However, if the 15th and/or
final day, whichever is applicable, falls on a weekend or holiday, as defined in Article 7, Paid Leaves, Section III.B, except for floating holiday time, the 15th and/or final day will be considered the next business day immediately following the weekend or holiday.

3. Submissions at each step of the grievance procedure will be considered timely if they are mailed and postmarked, or otherwise actually delivered, by eleven-fifty-nine (11:59) p.m. of the last day. Failure on the part of the moving party to process grievances within the time limits at any step in accordance with the provisions of this Article shall constitute a waiver of the grievance. Timelines at any stage of the grievance procedure may be extended by mutual agreement between the County and the Union. The parties agree that the timelines for filing and responding to a grievance at any step will be held in abeyance from the last business day prior to the observed Christmas holiday to the first business day after the observed New Year’s Day holiday.

D. Grievances will be filed at Step 1 of the grievance procedure (see Section III below) unless the County and the Union mutually agree to filing at a higher step.

III. Steps of the Grievance-Not-Related-To-Discipline Procedure

A. Step 1. The Immediate Supervisor:

Grievance submitted at Step 1 will be filed with the Dental Director or the Dental Director’s designee. The Dental Director or the Dental Director’s designee will respond in writing to the grievant or the grievant’s Union representative within fifteen (15) days of receipt.

There will be a mandatory meeting either at Step 1 or at Step 2 of the grievance procedure to formally discuss the grievance. Unless an exception is agreed upon by the Union and the County, the meeting will be attended by the grievant, the Dental Director, a Health HR Representative, and the steward and/or other Union representative. If the grievance is a class grievance, a representative employee shall be deemed the grievant for the purposes of the mandatory meeting.

B. Step 2. The Department Director:

Grievances submitted at Step 2 and grievances unresolved at Step 1 may be presented by the grievant or the grievant’s Union representative to the Department Director or the Department Director’s designee. Unresolved grievances must be submitted within fifteen (15) days after the response is due at Step 1. The Department
Director or the Department Director’s designee will respond in writing to the grievant or the grievant’s Union representative within fifteen (15) days of receipt.

C. Step 3. Labor Relations:

Grievances submitted at Step 3 and grievances unresolved at Step 2 may be presented by the grievant or the grievant’s Union representative to the Labor Relations Manager or the Labor Relations Manager’s designee. Unresolved grievances must be submitted within fifteen (15) days after the response is due at Step 2. The Labor Relations Manager or the Labor Relations Manager’s designee will respond in writing to the grievant or the grievant’s Union representative within fifteen (15) days of receipt.

D. Step 4. Arbitration:

If the grievance has not been answered or resolved at Step 3, the Union may, within fifteen (15) days after the expiration of the time limit specified in Step 3, request arbitration by written notice to the County. Within fifteen (15) days of submitting a grievance for arbitration, the Union shall request a list of the names of seven (7) arbitrators from the State of Oregon Employment Relations Board. The Union and the County shall select an arbitrator from the list by mutual agreement. If they are unable to agree on a method, the arbitrator will be chosen by the method of alternate striking of names, the order of striking to be determined by lot. One day shall be allowed for the striking of each name. The final name left on the list shall be the arbitrator. Nothing in this section shall prohibit the Union and the County from agreeing upon a permanent arbitrator or permanent list.

The Union and the County agree that no less than five (5) days prior to any scheduled arbitration hearing, they will mutually exchange copies of all exhibits and names of witnesses intended to be offered at the hearing, except the work product of any attorney or authorized representative involved.

No less than five (5) days prior to the scheduled arbitration, the Union and the County shall submit to the designated arbitrator a signed stipulation of the issue before the arbitrator. In the event they are unable to stipulate the issue in dispute, each party shall, not later than four (4) days prior to the scheduled arbitration, submit to the arbitrator and the other party a signed statement of the issue that party asserts is in dispute.

The arbitrator shall be requested to begin taking evidence and testimony within...
twenty-five (25) days after submission of the request for arbitration; and the arbitrator shall be requested to issue their decision within thirty (30) days after the conclusion of testimony and argument. The Union and the County hereby vest the arbitrator with authority to compel the attendance of witnesses on behalf of either party by issuance of a subpoena, the cost of which shall be borne by the party requesting the subpoena.

The arbitrator’s decision shall be final and binding, but the arbitrator shall have no power to alter, modify, amend, add to, or detract from the terms of this Agreement. The arbitrator’s decision shall be within the scope and terms of the Agreement and in writing. Any decision of the arbitrator may provide for retroactivity not exceeding sixty (60) days prior to the date the grievance was first filed, and it shall state the effective date of the award.

Expenses for the arbitration shall be borne by the losing party. Each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim recording of the proceedings, it may cause such record to be made, on the condition that it pays for the record and makes copies available without charge to the other party and/or the arbitrator.

Any time limits specified in the grievance procedure may be waived by mutual consent of the parties. A grievance may be terminated at any time upon receipt of a signed statement from the aggrieved party that the matter has been resolved.

E. Content of Grievances and Responses

The parties agree that it is mutually beneficial if grievances and responses contain adequate explanations of the position of the parties at each step of the process. Failure to do so, however, will not be subject to grievance.

IV. Disciplinary Review Process

A. Notice of Proposed Discipline

Before imposing discipline of suspension or termination, the County must provide the Dentist with a written Notice of Proposed Discipline no less than ten (10) days before the date of intended imposition, followed by an opportunity to be heard prior to imposition.

B. Disciplinary Review

1. If suspended or terminated, a regular, non-initial trial service Dentist
or their Union Representative may appeal the discipline by making a request to the Dental Director within thirty (30) days of the date of imposition of discipline. A regular, non-initial trial service Dentist who is denied removal of discipline from the Dentist’s personnel file under Article 12 - Personnel File may appeal the denial by making a request to the Dental Director within fifteen (15) days of the date of notice of the denial. The Dentist appealing the suspension or termination, or denial of removal of discipline, shall be entitled to representation as set out in Section V. below.

2. Upon receipt of a request, the Dental Director will convene a mandatory meeting to formally discuss the Disciplinary Action. Unless an exception is agreed to by the Union and the County, the attendees shall include the employee who was disciplined, their Union Representative, the Dental Director or their designee, a representative from Health Human Resources, and a representative from Central Human Resources Labor Relations. The Dental Director or their designee will respond to the Disciplinary Appeal in writing within fifteen (15) days of the mandatory meeting. The Union may appeal the Dental Director's/designee’s response by notice to Central Human resources Labor Relations within fifteen (15) days after receipt of the response.

3. Upon receipt of an Appeal of the Disciplinary Action, the Dental Director will convene and impanel an ad hoc Discipline Review Committee. The committee will have five (5) members:

   a. Two (2) MCHD regular, non-initial trial service staff Dentists (other than the individual subject to discipline) identified by the bargaining unit,

   b. Two (2) currently or formerly Oregon licensed non-Local 88-5 unit member Dentists (which may include the Dental Director themselves), as selected by the Dental Director, and

   c. One (1) arbitrator, selected as set out in the second paragraph of Subsection III.D. above.

4. The Dental Director will inform the panel of: 1) in the case of imposed discipline, the identified concerns regarding the Dentist’s performance, and the imposed discipline and rationale for the imposed discipline; and 2) in the case of denial of a request for removal, the demonstrable relationship to client care.

5. The Review Committee shall:

ARTICLE 15, SETTLEMENT OF DISPUTES
a. Convene an administrative hearing, Chaired by the arbitrator selected by the parties, to receive evidence for the purpose of: 1) in the case of imposed discipline, evaluating the Dentist’s performance in an independent, neutral and objective manner. In doing so, the Review Committee will use the performance expectations set out by the Dental Director, relevant County, department, and program policies and procedures, and other clinical practice-related resources as are relevant and appropriate; and 2) in the case of denial of a request for removal, the relationship of the basis of discipline to client care.

b. Determine whether: 1) in the case of imposed discipline, the discipline should be upheld, modified, or vacated; and 2) in the case of denial of a request for removal, whether a meaningful relationship to client care has been demonstrated.

c. The Committee Chair shall articulate in writing the Committee’s findings and the rationale for its recommendation.

6. The decision of the ad hoc Review Committee shall be final and binding on the parties. The fees of the arbitrator shall be borne by the losing party, similar to that described in Art. 15.III.D.

V. Representation of Employees

A. The Union as Exclusive Representative

1. The Union is the exclusive representative of bargaining unit employees with respect to conditions of employment governed by this Agreement under the State of Oregon Public Employees Collective Bargaining Act.

2. Attorneys who do not represent the Union or the County may appear at grievance and disciplinary review meetings and hearings only at the mutual consent of the Union and the County.

3. An employee may file a grievance through Step 3 of the grievance procedure without the assistance of the Union; however, departure from the grievance procedure described herein shall automatically nullify the Union’s obligation to process the grievance. Also, whether or not the employee seeks Union assistance, the Union must be given the opportunity to be present when a settlement offer is made, and any settlement must be consistent with the terms of this Agreement.

B. Stewards
1. Definition and designation

Employees selected by the Union as employee representatives shall be known as "Stewards." The names of the stewards and the names of other union officers and Council 75 representatives, who may represent employees, shall be certified in writing to the County by the Union.

2. Processing of grievances by stewards

a. Upon notification to the grievant's supervisor of the name of the grievant and the tentative cause of the grievance, or the name of the subject of a disciplinary investigatory interview, a steward(s) responsible for the grievant's work area may investigate and process grievance(s) at the work site during working hours without loss of pay, or in the case of an investigatory interview, participate in such interview without loss of pay. All efforts will be made to avoid disruptions and interruptions of work.

b. Employees meeting with their steward to process a grievance will also be permitted to do so without loss of pay during working hours.

c. A steward may not process a grievance in any other work area than the one to which the steward is assigned by the Union unless mutually agreed by the Department and the Union.

3. Chief steward

There shall be one (1) Chief Steward. When there is no steward assigned to the grievant's work area, the regular steward is unavailable, or by mutual agreement between the Union and the Department, the assigned Chief Steward may process a grievance. When a Chief Steward is unavailable or by mutual agreement between the Union and the Department, the Union may designate a Union officer to act as Chief Steward.

4. Notification

The Union shall immediately notify the County of the names of Steward and Chief Steward appointments upon their selection.
ARTICLE 16
MODIFICATION OF WORK PERFORMED
BY THE BARGAINING UNIT:
CONTRACTING, INTERGOVERNMENTAL AGREEMENTS

I. Contracting
The County may contract or subcontract out work performed by employees in this
bargaining unit regardless of impact on employees, including but not limited to layoff. In any
instance in which such contracting or subcontracting would result in layoff, however, and the
County is unable to find suitable or comparable alternative employment for the employees,
this contracting or subcontracting will occur only if it was anticipated and considered as a
part of the budgeting process and the Union Business Representative and/or President has
been notified of the specific plan and its probable impact at least thirty (30) days prior to
adoption of the annual budget, referred to as the “Adopted Budget”, or formal Board
consideration of budget modifications.

Any contracting out of bargaining unit work under the terms of this article shall be
bound exclusively by the exercise of the discretion of the Board of County Commissioners,
and any appropriate elected executive, subject only to the limitations of this article and laws
in effect at the time of execution of this Agreement, including but not limited to ORS
279B.030 to 279B.040. This exercise of discretion shall specifically not be bound by the
requirements of any Initiative Petition, or law promulgated thereto, which becomes effective
subsequent to the execution of this Agreement.

II. Intergovernmental Agreements
The County agrees to notify the Local 88 Business Agent and/or President when
an Intergovernmental agreement which would affect the transfer of employees to or from
the County is placed on the Board agenda. The County also agrees to provide Union with
a specific plan and its probable impact relative to Intergovernmental Agreements involving
employee transfer, when such Agreements are anticipated, at least thirty (30) days prior
to formal Board consideration of budget modifications or the Board’s adoption of the
annual budget related to such a transfer.
III. Rights and Benefits of Employees Involved in Consolidation, Merger, and Acquisition of Positions

A. The County and the Union recognize the provisions of ORS 236.610 through 236.650 in the event an employee of the County is transferred to another public employer as defined under ORS 236.610(2) for reason of merger, consolidation or cooperation agreement.

B. All employees acquired by the County as a result of merger, consolidation, cooperation agreement, or acquisition of a facility, shall be entitled to all rights and benefits granted employees under this Agreement and ORS 236.610 through 236.650.
ARTICLE 17
GENERAL PROVISIONS

I. No Discrimination

A. Contractually Prohibited Discrimination

1. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, marital status, race, color, sex, creed, religion, national origin, sexual orientation, political affiliation, gender identity, gender expression, source of income or family status. It is further agreed that there will be no discrimination against a person with a disability unless bona fide job related reasons exist as provided by the Americans with Disabilities Act and rules promulgated under its terms.

2. The Union shall share equally with the County the responsibility for applying the provisions of the Agreement; provided that this responsibility shall be limited to those matters under the Union’s influence or control, including but not limited to the behavior of shop Stewards and the contents of Union bulletin boards.

B. Legally Prohibited Discrimination and County Complaint Procedure

The County will maintain a complaint procedure for allegations of discrimination in violation of law.

II. No Prejudicial Harassment

A. Prejudicial Acts Prohibited

1. The County and the Union shall not condone and/or tolerate prejudicial remarks, actions, slurs, and jokes directed at, or expressed, or any other form of microaggression that are offensive to persons with disabilities, racial minority persons, persons having certain religious preferences or sexual orientation, or gender identity, or persons of a certain national origin or certain familial status or source of income.

2. Microaggressions are defined as commonplace and casual verbal, behavioral, or environmental indignities and denigrations, often unintentional or unconscious that repeat or reaffirm stereotypes and convey negative or derogatory messages based on the recipient’s status in a racial minority or other non-dominant culture group.
B. Sexual Harassment Prohibited

No employee(s) shall be subjected to unwelcome sexual advances, requests for sexual favors, or any form of verbal or physical conduct of a sexual nature that is offensive, hostile or intimidating that interferes with the work performance of such employee(s).

III. Changes in Existing Conditions

A. For the purpose of this Agreement, the term, "existing working conditions," means practices impacting mandatory subjects of bargaining which have been:

1. Clear and consistent;
2. Acted upon repetitively over a substantial period of time; and
3. Readily ascertainable as mutually accepted by the parties.

B. Existing working conditions shall be changed only after the Union has been afforded opportunity to make suggestions and shall not be for arbitrary or capricious reasons.

C. Disputes regarding the change of existing working conditions shall be resolved through the grievance procedure beginning at Step 3.

D. No payment of monies made in error, or not authorized by proper authority, shall be considered an existing condition.

IV. Transfers

A. Vacant bargaining unit positions will be posted internally for seven (7) calendar days prior to external recruitment to allow regular status employees to exercise the following transfer right.

B. Regular status employees shall be entitled to transfer within their current provider category, as defined in Article 11.III.A.2. Additionally, Preferred Providers shall be entitled to transfer into a General Dentistry vacancy.

C. In the event that two or more employees apply for transfer into the same position, then the employee is eligible (but not entitled) to transfer, subject to their supervisor’s review and approval.

D. If no regular status employee bids on the position, then an initial trial service employee is eligible (but not entitled) to transfer, subject to their supervisor’s review and approval.
V. **Loss of Personal Property**

A. **Procedure for Advancing Claims**

Employees who suffer a loss of personal property on County premises shall be provided a claims form by the Risk Management Division upon request. Premises, for this purpose, are defined as County facilities and vehicles. The Risk Management Division shall provide the requesting employee with a determination in writing by the County of the legal liability the County may have in the matter. The County will pay claims for which it determines it has legal liability.

B. **Exclusion of Personal Vehicles**

Personal vehicles are expressly excluded from this provision. Loss or damage to employees’ personal vehicles is the sole responsibility of the employee.
ARTICLE 18
SAVINGS CLAUSE AND FUNDING

I. Savings Clause

Should any Article, section, or portion thereof of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, or any administrative agency having jurisdiction over the subject matter, such decision shall apply only to the specific Article, section, or portion thereof directly specified in the decision. Upon the issuance of any such decision, the parties agree immediately to attempt to negotiate a substitute, if possible, for the invalidated Article, section, or portion thereof. All other portions of this Agreement, and the Agreement as a whole, shall continue without interruption for the term hereof.

II. Funding

The parties recognize that revenue needed to fund the wages, benefits, and budget-related existing conditions provided by the Agreement must be approved annually by established budget procedures. All such wages, benefits, and budget-related existing conditions are, therefore, contingent upon sources of revenue and annual budget approval. The County has no intention of cutting the wages and benefits specified in this Agreement because of budgetary limitations, but cannot and does not guarantee any level of employment in the bargaining unit covered by this Agreement. The County agrees to include in its annual budget request amounts sufficient to fund the wages and benefits provided by this Agreement, but makes no guarantee as to the passage of such budget request pursuant to established budget procedures.
ARTICLE 19
ENTIRE AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement constitutes the sole and entire existing Agreement between the parties. Except as specifically modified by or treated in this Agreement, all policies, matters, questions and terms affecting unit employees in their employment relationship with the County shall be governed by Article 4, Management Rights, unless such rights are specifically limited by the Multnomah County Code Chapter 9 or its successor and the Personnel Rules. The County and the Union, for the life of the Agreement, each voluntarily and unqualifiedly waives the right, and agrees that the other shall not be obliged, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either party or both parties at the time that they negotiated and signed this Agreement.

Nothing in this article shall preclude the parties during the term of this Agreement from voluntarily entering into amendments to the Agreement; nor shall the Union and the County Chair or their designee(s) for labor relations be precluded from voluntarily entering into Memoranda of Understanding, Interpretation, or Exception concerning matters of contract administration.
ARTICLE 20

TERMINATION

This Agreement shall be effective upon ratification by the Board of County Commissioners unless otherwise provided herein, and shall remain in full force and effect through the thirtieth (30th) day of June, 2022, subject to reopener exception set forth in Article 8, Section 1.C. This agreement shall be automatically renewed from year-to-year thereafter, unless either party shall notify the other in writing no later than January 31, 2022 that it wishes to modify the contract for any reason. The contract shall remain in full force and effect during the period of negotiations.
IN WITNESS WHEREOF, the Parties hereto have set their hands this 12th day of September, 2019.

**ADDENDUM B, STEP PLACEMENT AND SENIORITY FOR BARGAINING UNIT MEMBERS**
ADDENDUM C

DRUG AND ALCOHOL POLICY

I. Drug Free Workplace Act

Multnomah County, in keeping with the provisions of the federal Drug Free Workplace Act of 1988, is committed to establishing and maintain a workplace, which is free of alcohol and drugs and free of the effects of prohibited alcohol and drug use.

II. Alcohol and Drug Policy Work Rules and Discipline

A. Conduct Warranting Discipline

1. While on duty, or on County premises, or operating County vehicles employees shall obey the work rules listed in “Section B” below. As with all work rules, violations may result in discipline per the provisions of Article 14, Disciplinary Action.

2. Employees will not be subject to discipline for seeking treatment for alcohol or drug dependency. However, employees will be held fully accountable for their behavior. Seeking treatment will not mitigate discipline for rule violations or other unacceptable conduct caused by such dependency.

B. Work Rules

1. Possession, consumption, solicitation and distribution of alcohol and drugs while on duty:

Employees shall:

a. Not possess, consume, manufacture, solicit or distribute, cause to be brought, dispense, or sell alcohol or alcohol containers in or to the work place except when lawfully required as part of the job. An exception will be sealed alcohol containers for gift purposes; supervisors must be notified when such containers are brought to the work place. The “work place” includes vehicles parked on County property.

b. Not possess, consume, manufacture, solicit or distribute, cause to be brought, dispense, or sell illegal drugs or drug paraphernalia, in or to the work place except when lawfully required as part of the job.

c. Not solicit, distribute, dispense or sell prescription medications except when lawfully required as part of the job.

d. Not possess or consume prescription medications without a valid prescription.
2. **Possession, consumption, solicitation and distribution of alcohol and drugs while off duty on County premises:**

Employees shall:

a. Not use, possess, solicit or distribute illegal drugs.

b. Not use or distribute alcohol without authorization.

3. **Fitness for duty:**

Employees shall:

a. Not report for duty while “under the influence” of alcohol or drugs.

   An individual is considered to be “under the influence” of alcohol if a breathalyzer test indicates the presence of alcohol at or above the .04% level. An individual is considered to be “under the influence” of drugs when testing indicates the presence of controlled substances at or above the levels applying to CDL holders.

b. Not render themselves unfit to fully perform work duties because of the use of alcohol or illegal drugs, or because of the abuse of prescription or non-prescription medications.

c. Comply with legally mandated occupational requirements, whether or not they are specifically included in this policy. For example, by law, holders of CDL’s may not perform safety sensitive functions, such as driving, at or above the .02% level.

d. Not be absent from work because of the use of alcohol or illegal drugs, or because of the abuse of prescription or non-prescription medications, except when absent to participate in a bona fide assessment and rehabilitation program while on FMLA and/or OFLA leave.

e. Inform themselves of the effects of any prescription or non-prescription medications by obtaining information from health care providers, pharmacists, medication packages and brochures, or other authoritative sources in advance of performing work duties.

f. Notify their supervisors in advance when their use of prescription or non-prescription medications may impair the employee’s ability to perform the essential functions of their position that will result in a direct threat to others. Such employees include, but are not limited to, sworn officers, holders of a CDL, and those handling hazardous equipment or materials. Employees who drive a motor vehicle as part of their job, whether a
County vehicle or their personal vehicle, should report when they are taking any medication that may impair their ability to drive.

4. **Cooperation with Policy Administration:**

Employees shall:

a. Not interfere with the administration of this Drug and Alcohol Policy. Examples include, but are not limited to, the following: tainting, tampering, or substitution of urine samples; falsifying information regarding the use of prescribed medications or controlled substances; or failure to cooperate with any tests outlined in this policy to determine the presence of drugs or alcohol.

b. Provide to Human Resources within twenty-four (24) hours of request a current, valid prescription in the employee’s name for any drug or medication which the employee alleges gave rise to reasonable suspicion of being under the influence of alcohol or drugs.

c. Respond fully and accurately to inquiries from the County’s Medical Review Officer (MRO); authorize MRO contact with treating health care providers upon request.

d. Complete any assessments or treatment programs required under this Policy.

e. Sign a waiver upon request authorizing treatment providers to disclose confidential information necessary to verify successful completion of any assessment or treatment program required under this Policy.

f. Disclose promptly (upon the next working day) and fully to their supervisor:

i. All drug or alcohol related arrests, citations, convictions, guilty pleas, no contest pleas or diversions which resulted from conduct which occurred while they were on duty, on County property, or in a County vehicle; or

ii. Any other violation of laws regulating use of alcohol and controlled substances which adversely affects an employee's ability to perform major job functions, specifically to include loss or limitation of driving privileges when the employee's job is identified as requiring a valid license.

C. **Levels of Discipline**
1. The level of discipline imposed on non-probationary employees for violation of the Alcohol and Drug Policy Work Rules above or other violations resulting from the use of alcohol or drugs will be according to the provisions of Article 14, Disciplinary Action.

2. Employees will be held fully accountable for their behavior. Use of alcohol or drugs, or alcohol or drug dependency, will not mitigate the discipline imposed for rule violations, misconduct, or poor performance except as specifically provided in the section on last chance agreements below.

3. The Parties acknowledge that, all other things being equal, certain duties imply a higher standard of accountability for compliance with the requirements of this policy than others. These duties include, but are not limited to, the following:
   a. carrying firearms
   b. work in the criminal justice system
   c. responsibility for public safety or the safety of co-workers
   d. handling narcotics or other controlled substances
   e. handling hazardous equipment or materials
   f. influencing the behavior of minors
   g. holding a CDL

4. In instances in which the County determines that an employee’s conduct warrants termination, the County may offer the employee continued employment under the terms of a last chance agreement if there are mitigating circumstances, such as a substance abuse dependency or other good cause. An example of a Last Chance Agreement is included as an attachment to this Addendum.
   a. Any Last Chance Agreement will include but not be limited to, the following:
      i. the requirement that the employee enroll, participate in, and successfully complete a treatment program as recommended by the Substance Abuse Professional;
      ii. the right for the County to administer any number of unannounced follow up drug or alcohol tests at any time during the work day for a period of two (2) years from completion of any required treatment or education program;
      iii. the signatures of the employee’s supervisor, the employee, and the employee’s Union representative.
b. The offer of a Last Chance Agreement will not set precedent for the discipline of other employees in the future. Any discipline incorporated in a Last Chance Agreement may not be grieved under the provisions of Article 15, Settlement of Disputes.

D. Mandatory Assessment and Treatment

1. Employees who are disciplined for conduct which is related to the use of alcohol or drugs may be required to undergo assessment and to complete a program of education and/or treatment prescribed by a Substance Abuse Professional selected by the County. Employees who test positive for alcohol or controlled substances may be required to undergo assessment at management’s discretion, regardless of whether disciplinary action has been taken or a Last Chance Agreement entered into.

2. The County will verify employees’ attendance, and that the assessment and treatment have been completed. This verification and any other information concerning alcohol and drug dependency will be treated as confidential medical information per applicable state and federal law and County Administrative Procedures.

3. Policy on the use of leave for assessment and treatment will be the same as for any other illness.

E. Return to Work Testing

Employees who test positive for being “under the influence” of drugs will be required to test negative before returning to work. (Note that Federal law requires CDL holders performing safety sensitive functions to undergo return to work testing after a positive alcohol or drug test.)

IV. Testing

A. Basis for Testing:

1. All employees may be tested:
   a. based on reasonable suspicion of being “under the influence” of alcohol or prohibited drugs;
   b. before returning to work after testing positive for being “under the influence” of alcohol or drugs;
   c. as part of a program of unannounced follow-up testing provided for in a Last Chance Agreement.

2. An employee applying for a different County position will be subject to testing on the same basis, and using the same procedures and methods, as outside applicants.
3. Consistent with Federal law, employees in safety sensitive positions, including but not limited to holders of CDL's and Bridge Operators, shall be subject to the testing requirements of federal law, in addition to the requirements herein which apply to all employees. For example, unlike other employees, employees in safety sensitive positions will be subject to legally required random testing and testing following certain kinds of accidents.

B. Establishing Reasonable Suspicion

1. Definition:

"Reasonable suspicion" is a set of objective and specific observations or facts which lead a supervisor to suspect that an employee is under the influence of drugs, controlled substances, or alcohol. Examples include, but are not limited to: slurred speech, alcohol on the breath, loss of balance or coordination, dilated or constricted pupils, apparent hallucinations, high absenteeism or a persistent pattern of unexplained absenteeism, erratic work performance, persistent poor judgment, difficulty concentrating, theft from office or from other persons, unexplained absences during office hours, or employee's admission of use of prohibited substances.

2. Supervisory training:

The County will provide training to all supervisors on establishing reasonable suspicion and the nature of alcohol and drug dependency. Supervisors who have not been trained will not have the authority to direct employees to be tested on the basis of reasonable suspicion of being under the influence.

3. Lead Workers:

When no supervisor is immediately present, lead workers who oversee day-to-day work activities are “supervisors” for the purposes of establishing reasonable suspicion and directing employees to be tested on that basis. This provision applies to lead workers who supervise or act as lead workers as part of their job description.

4. Additional Precautions:

Application of the "Reasonable Suspicion” standard to any employee in this bargaining unit shall include the following additional precautions:

a. The supervisor shall articulate orally a summary of the specific facts which form the basis for believing that the employee is under the influence of drugs or alcohol; and

ADDENDUM C, DRUG AND ALCOHOL POLICY
b. The supervisor shall provide upon request within forty-eight (48) hours of the oral determination of "reasonable suspicion" a written specification of the grounds for reasonable suspicion; and

c. Except in field or shift circumstances which render contact difficult, no supervisor shall refer an employee for a drug or alcohol test based on "reasonable suspicion" unless the supervisor has consulted with another supervisor or managerial person regarding the grounds for the suspicion.

C. Testing Methodology

Testing procedures for all employees will be governed by the same standards as apply to CDL drivers under federal law. These standards include, but are not limited to, those governing sample acquisition, the chain of custody, laboratory selection, testing methods and procedures, and verification of test results.

1. Drug Testing

a. Drug tests are conducted using urine specimens. In accordance with CDL standards, the County will contract with a medical doctor trained in toxicology to act as an MRO (Medical Review Officer). In the case of positive tests, the MRO will attempt to contact employees to review preliminary positive test results with employees and any relevant health care providers before the results are reported to the County. Based on their professional judgment, they may change the preliminary test result to negative. The County will not be able to distinguish a test result that is negative by MRO intervention from any other negative result.

b. In addition to compliance with federal guidelines, the following safeguards will also be applied:

i. Test results will be issued by the MRO or the testing laboratory only to the County’s Drug and Alcohol Policy Coordinator. The results will be sent by certified mail or hand delivered to the employee within three (3) working days of receipt of results by the County.

ii. Appeals. If an employee disagrees with the results of the alcohol or drug test, the employee may request, in writing, within five (5) days of receipt of test results, that the original sample be re-tested at the employee’s expense by the testing laboratory. The result of any such retest will be deemed final and binding and not subject to any further test. Failure to make a timely written request for a retest shall be deemed acceptance of the test results. If an employee requests a retest, any disciplinary action shall be stayed pending the results of the re-testing.
2. **Alcohol Testing**
   
   a. Alcohol tests are conducted using a breathalyzer screening test. Employees who test 0.02 or higher will be required to submit to a confirmation test. Test results will be issued only to the County’s Drug and Alcohol Policy Coordinator. The results will be sent by certified mail or hand-delivered to the employee within three (3) working days of receipt of the results by the County.

   b. Alcohol confirmation tests are considered final, they may not be appealed.

3. Test reports are medical records, and will be handled according to applicable state and federal law and County Administrative Procedures which insure the confidentiality of such records.

V. **Definitions**

A. **Alcohol:**

   Ethyl alcohol and all beverages or liquids containing ethyl alcohol. Levels of alcohol present in the body will be measured using a breathalyzer test.

B. **Controlled Substance:**

   All forms of narcotics, depressants, stimulants, analgesics, hallucinogens, and cannabis, as classified in Schedules I V under the Federal Controlled Substances Act (21 USC § 811 812) as modified under ORS 475.035, whose sale, purchase, transfer, use, or possession is prohibited or restricted by law.

E. **Drug Test:**

   A laboratory analysis of a urine sample to determine the presence of certain prohibited drugs or their metabolites in the body.

F. **Drugs:**
Controlled substances, designer drugs (drug substances not approved for medical or other use by the U.S. Drug Enforcement Administration or the U.S. Food and Drug Administration), and/or over the counter preparations available without a prescription from a medical doctor that are capable of impairing an employee's mental or physical ability to safely, efficiently, and accurately perform work duties.

G. **Medical Review Officer (MRO):**

A medical doctor trained in toxicology who contracts with employers primarily to review positive preliminary drug test results with employees. The MRO determines whether or not the results are likely to have been caused by factors other than drug abuse.

H. **On Duty:**

The period of time during which an employee is engaged in activities which are compensable as work performed on behalf of the County, or the period of time before or after work when an employee is wearing a uniform, badge, or other insignia provided by the County, or operating a vehicle or equipment which identifies Multnomah County.

I. **Prescription Medication:**

M. **Under the Influence of Drugs:**

See “Section II. B. 2” above.

VI. **Sample Last Chance Agreement**
LAST CHANCE AGREEMENT

The following agreement is entered into between Multnomah County and the Employee. Failure on the part of the employee to meet the expectations below will result in the termination of their employment with the County.

1. I agree to be evaluated by a qualified alcohol/substance abuse counselor, and if required, I shall immediately enroll and continue in a bona fide alcohol/drug impatient or outpatient rehabilitation program approved by the County. I fully understand that should I fail to complete either the inpatient or outpatient program, my employment with the County will be terminated.

2. I agree to comply with and complete the conditions of my "Aftercare Plan" as recommended by my treatment counselor. If I must be absent from my aftercare session, I must notify the County. The County has my permission to verify my attendance at required meetings. If I do not continue in the aftercare program, I understand that my employment will be terminated.

3. I understand that the signing of this agreement shall allow the County the right to communicate with my physician and/or counselors regarding my status and progress of rehabilitation and aftercare. I further agree to sign any authorization or release of information necessary to allow for such communication.

4. I agree to submit to periodic, unannounced, unscheduled drug or alcohol testing (urinalysis and breath test) by the County for a period of twenty-four (24) months from the date I return to work. This time period will increase accordingly if I am absent from work, for any reason, for a cumulative period of one (1) month or more. I understand that if I refuse to take a drug and/or alcohol test or if a test is positive, my employment will be terminated.

5. I agree to return to work upon successful completion of an alcohol/drug rehabilitation program if my substance abuse counselor requires inpatient treatment.
6. It is understood that this agreement constitutes a final warning.

7. I understand the Employee Assistance Program is available to me should personal problems arise in the future that may have an effect on my ability to remain in compliance with the drug and alcohol policy and/or this agreement.

8. I realize that violation of the drug and alcohol rules and/or policies at any time in the future is cause for termination without a pre-termination hearing.

9. I realize that my employment will be terminated if I fail to meet the expectations outlined in this Agreement and the letter attached.

**Disciplinary Action**

I understand that the disciplinary action imposed in the attached letter may not be grieved under the grievance procedure in the Local 88 contract.

**Personal Commitment**

I pledge and agree to abide by the terms of this agreement. I understand that a violation of or noncompliance with any of these terms will result in my being terminated without the right to a pre-termination hearing. Further, I pledge to remain free of all illegal drugs and also not to abuse legal drugs (including alcohol). I hereby consent to the County’s contacting any treatment or health care provider who may have information on my alcohol or drug dependency condition and/or compliance with the terms of this agreement and authorize the provider to furnish such information to the County.

I understand the terms and conditions of this letter. I also understand that, except as expressly stated in this agreement, my terms and conditions of employment will be determined by the County’s policies and rules, and that this agreement does not guarantee me employment for any set period of time. I have had sufficient time to study it away from the work place and to consult anyone I desire about it. I sign it free of any duress or coercion. This letter will become part of my personnel file.
Footnotes:

* Necessary only if terms of the Labor Agreement are waived or excepted.

** Always necessary.

*** Optional in cases in which immediate supervisor does not have termination authority.
