OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Updated 7/29/2020

Under ODE's *Ready Schools, Safe Learners* guidance, each school¹ has been directed to submit a plan to the district² in order to provide on-site and/or hybrid instruction. Districts must submit each school's plan to the local school board and make the plans available to the public. This form is to be used to document a district's, school's or program's plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the *Ready Schools, Safe Learners* guidance document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of, but not limited to school-based administrators, teachers and school staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation,³ parents and others for purposes of providing expertise, developing broad understanding of the health protocols and carrying out plan implementation.

1. Please fill out information:

SCHOOL/DISTRICT/PROGRAM INFORMATION	
Name of School, District or Program	
Key Contact Person for this Plan	
Phone Number of this Person	
Email Address of this Person	
Sectors and position titles of those who informed the plan	
Local public health office(s) or officer(s)	
Name of person Designated to Establish, Implement and Enforce Physical Distancing Requirements	
Intended Effective Dates for this Plan	
ESD Region	

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

- All schools are required to develop and submit Operational Blueprints for reopening to their local public health authority
- Focuses of review team:
 - Adherence to various guidance documents
 - Feasibility of communicable disease management plan for local response
 - Equitable practices and accommodations
