# Two Stages of the Competition

## Stage 1

*June—December 2015*

- 20 sites
- 6 months
- \$150,000 grant per site
- Develop a system reform plan and set concrete, measureable outcomes

## Stage 2

*2016—2017*

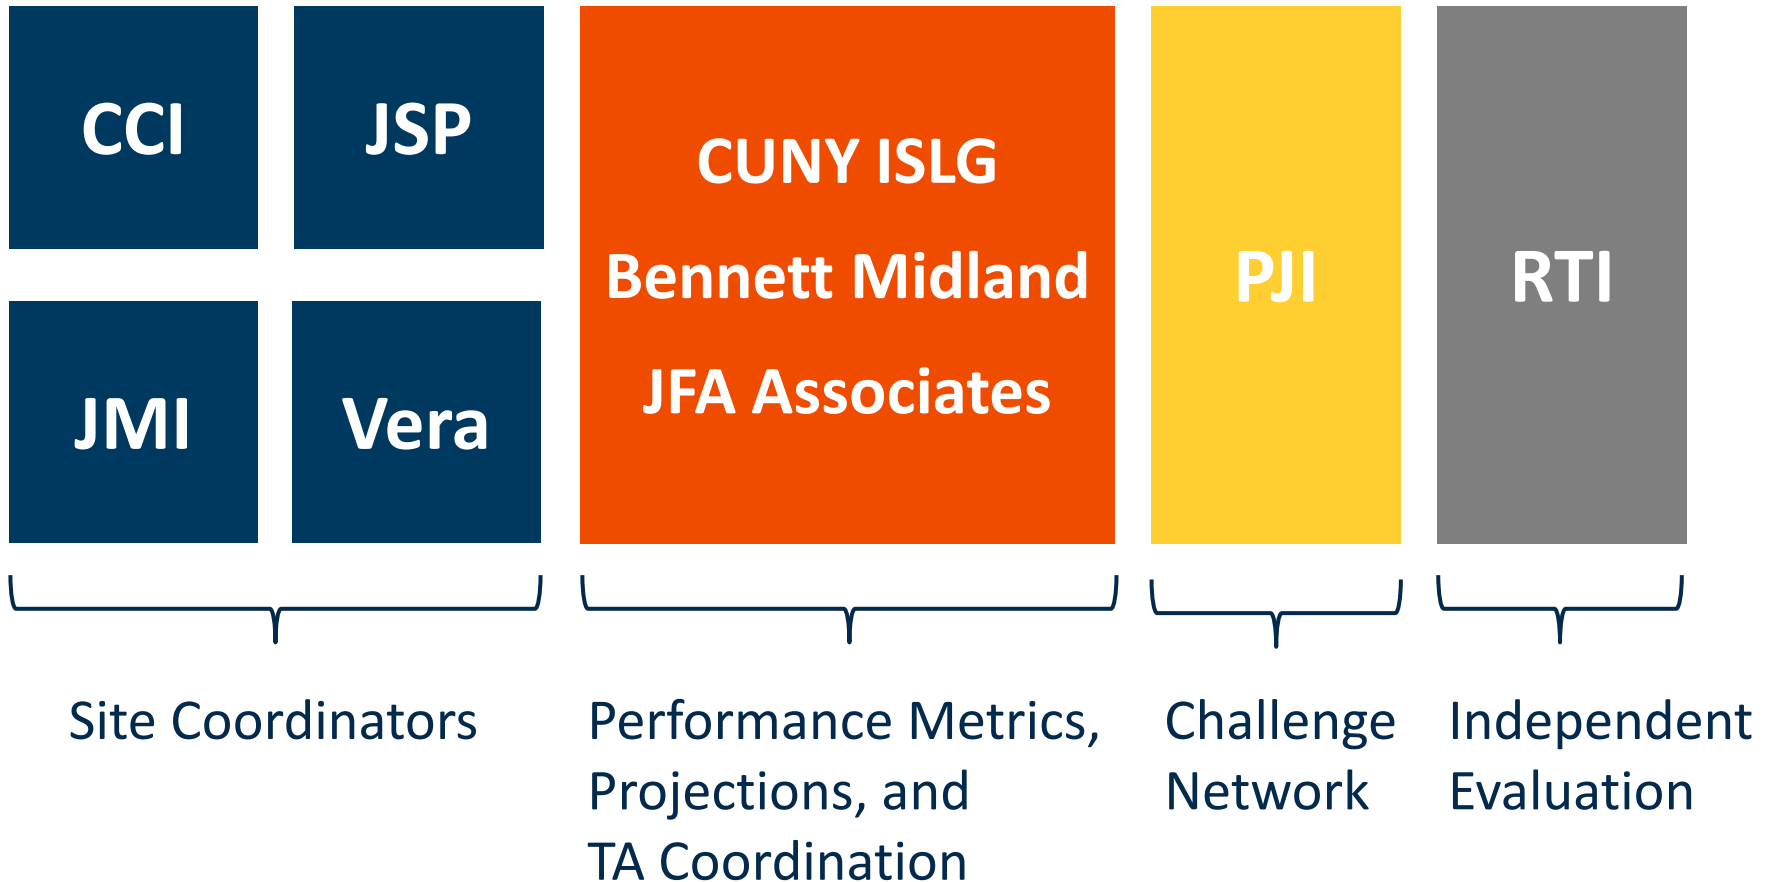

- Up to 10 sites
- At least 2 years
- Up to \$2 million/year
- Implement system reform plan, achieve concrete, sustainable impact

# Competition Goals

*Broadly speaking, the goals of the Safety and Justice Challenge competition are to:*

- Position all 20 sites at the end of the planning stage to deliver important changes to their local criminal justice system;
- Innovate, try new things, and raise the practice bar; and
- Inspire other jurisdictions to follow.

# Phases of the Work

# Implementation Funding

**10 sites**

As many as 10 network sites will receive grants to support implementation of their jail reduction plans.

**Up to \$2 million  
per year**

Implementation grants will be up to \$2 million per site, per year.

**2-3 years**

The Foundation will initially fund grants for 2 years, with an option to extend.

# Implementation Funding

*The selection process for implementation funding will have three components:*

1

Written  
submission

2

Input from site  
coordinators

3

Presentations  
by the sites

# Challenge Network

Whether or not sites are selected to receive implementation funding, **all 20 planning sites** will receive funding to support their continued participation in the Challenge Network, curated by the Pretrial Justice Institute.

*Network activities may include:*

- Webinars
- Conferences
- Shared tools
