### **Legislative Updates**

There was a public hearing on House Bill 3503, sponsored by Representative Jennifer Williamson, which directs Department of Corrections to establish Family Sentencing Alternative Pilot Program in partnership with circuit courts, county community corrections agencies and Department of Human Services.

Five bills were introduced by John Foote. Senators Shields and Williamson requested racial impact statements on each. House Bill 2907 establishes the definition of recidivism; while the racial impact statement showed no disparities, it would in fact impact recidivism outcomes for juveniles of color in Multnomah County.

Senate Bill 822 ensures the recordation of grand jury proceedings. Rod Underhill stated that the fiscal impact may be high.

The meeting was adjourned.
