Multco Align Change & Communication Liaison Network

Liaisons serve as communication and change readiness coordinators to prepare your department for business transformation as we implement a new ERP system.

What Liaisons can do for you:

- carry out an ERP communications plan specific to your dept, and aligned countywide
- attend team meetings or hold information sessions to show benefits of Workday and other applications
- bring your questions and needs to program leaders

What you can do for Liaisons:

- refer staff questions or rumors to them
- seek accurate information from them
- let them guide you on staff communications
