Multnomah County Notice of Non-Discrimination

At Multnomah County, it is our goal to treat all people equally. It is our policy not to discriminate because of race, color, national origin, disability, religion, age, sex/gender, sexual orientation, gender identity and expression, marital status, veteran status, source of income, or any other basis prohibited by federal, state, or local law.

We want you to get quality service and care no matter who you are. One way we do this is by helping people with Limited English Proficiency (people who do not speak or understand very much English) or people with visual or hearing impairments. This free help includes:

- Qualified language interpreters (including sign language)
- Translations of written materials (including alternative formats)
- Culturally sensitive assistance and care

If you think Multnomah County has discriminated against you, please tell us right away. Multnomah County does not allow retaliation (punishment) against any person who complains or participates in any investigation of discrimination. We review all concerns.
