Multnomah County's draft **Consolidated Annual Performance and Evaluation Report (CAPER)** for the 2021-22 program year on activities related to federally funded housing and community development activities is available for public review. Multnomah County receives an annual grant from the United States Department of Housing and Urban Development (HUD) called the Community Development Block Grant (CDBG). Funds from this grant are used to address the housing and community development needs of East Multnomah County residents with low-and-moderate-incomes. As a condition of funding, the County submits the CAPER annually to HUD to detail how CDBG funds and other local and state funds were used in the community for the program from July 1, 2021 through June 30, 2022.

Public comments, feedback and questions will be taken by phone or by email beginning Wednesday, September 14, 2022 through Thursday, September 29, 2022 until midnight. The CAPER will be submitted to HUD on or after September 30, 2022.

A copy of the draft 2021-22 *Consolidated Annual Performance and Evaluation Report (CAPER)* may be viewed at Multnomah County's Department of County Human Services website: <https://www.multco.us/cdbg>

Comments will be accepted on performance of Community Development Block Grant (CDBG) housing rehabilitation, public services, and public facilities and improvement programs for low- and moderate-income residents of east Multnomah County (City of Fairview, Maywood Park, Wood Village, Troutdale and unincorporated areas in the county). The CAPER also describes which priorities, goals, and strategies in the 2021-25 Consolidated Plan have been met.
