

Community Involvement Committee Retreat

November 17, 2020 | 5:30pm – 7:30pm

Our Goals:

By the close of this session we will have:

- An aligned list of our top priority areas and a sub-committee for each priority
- A shared awareness of the Committee's priority areas, learning agenda and calendar for the next 6 months
- A deeper sense of connection to one another and your shared purpose

Preparation:

Before our session, reflect on the scope of the CIC's work:

The CIC serves as Multnomah County's advisory body on community engagement and involvement. CIC members engage in an ongoing review of the County's community involvement policies and programs, bring community concerns to County leadership, and assist in facilitating communication between the County and the community. Together, the committee makes recommendations directly to the Office of Community Involvement, county departments and the Board of County Commissioners about opportunities for community engagement and removing barriers to civic participation.

Based on the scope of work for the CIC, where would your focus provide the most benefit in the next 6-9 months?
