

# Senior Resource Fair

Hosted by Multnomah County Commissioner Jessica Vega Pederson

The office of Multnomah County Commissioner Jessica Vega Pederson will host a senior resource fair in partnership with **Elders in Action**. Multnomah County and its partner organizations provide many important services to older adults in our community, but too often it can be difficult to access those resources. That's why we're bringing them to you.

**Saturday, October 28**

10 a.m. – 12:30 p.m.

**Midland Library**

805 S.E. 122nd Ave.
