90849 HF/HG	Multiple-family group psychotherapy	CADC Candidate CADC	Per Occurrence	45.09	No	45.09	Face-to-Face with client or family, Telephone, or Internet-Based	Yes	Group therapy sessions for multiple families when similar dynamics are occurring due to a commonality of problems in the family members receiving treatment. This is usually done in cases involving similar issues. Attention is also given to the impact the patient's condition has on the family. This code is reported once for each family group present. Normally limited to one occurrence per day within same agency. While a second occurrence on the same day in the same agency would be unusual, it may be medically necessary under certain circumstances. A second service in the same agency on the same day requires substantial supportive documentation regarding the necessity for such a visit. Bill one unit of service per episode. If 2 distinct services are provided on the same day, bill 2 lines, 1 unit each, adding required NCCI modifiers when relevant.
