

BASIC NEEDS PRIORITY BRIEF: AUGUST 2008

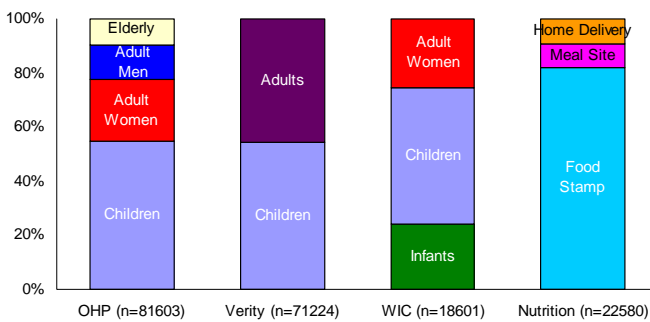

Multnomah County Basic Needs Clients

Clients Enrolled or Served by Basic Needs Programs

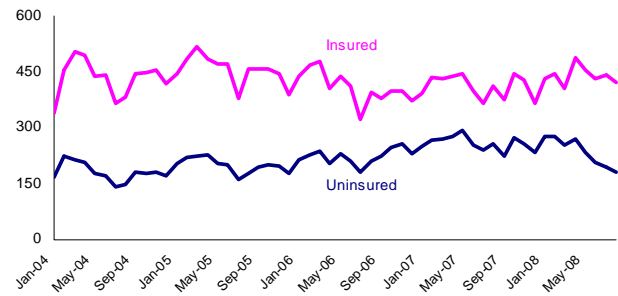

* Participation in OHP, Verity, WIC, and ADS nutrition service programs can overlap.

Clients in Basic Needs Programs: August 2008

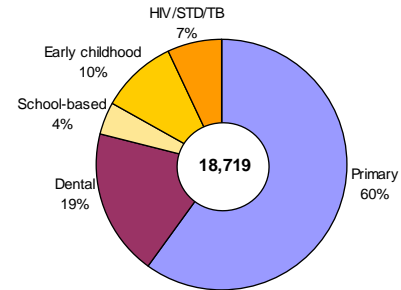

Multnomah County Health Clinic Visits

Average Daily Health Dept. Clinic Visits by Payer Mix

August 2008 had a total of 604 average daily visits. Of those, 70% were insured and 30% were not insured.

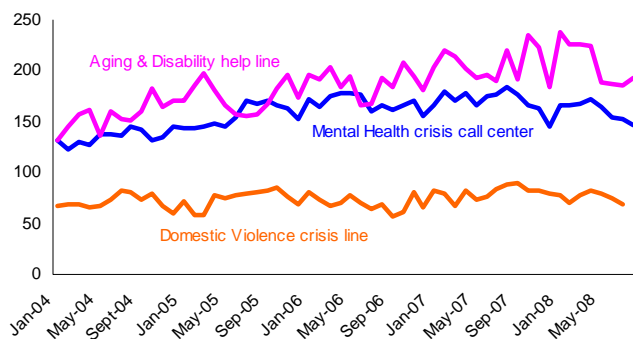

Type of MCHD Clinic Visits: August 2008

* The above data does not include pharmacy, immunization, or WIC visits. In addition, there were 3176 clinic visits and lab tests conducted at the County's correctional facilities in August 2008. The average number of daily correction health visits was 102.

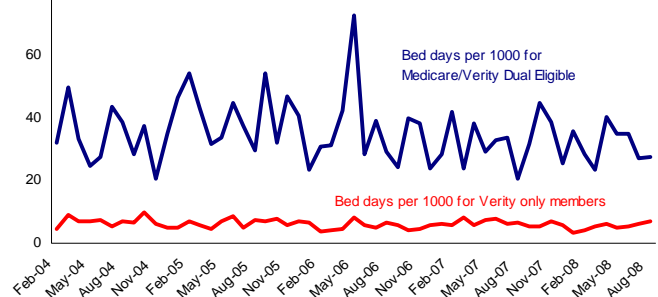

Crisis Center & Helpline Calls

Average Daily ADS, MH, & DV Help Line Calls

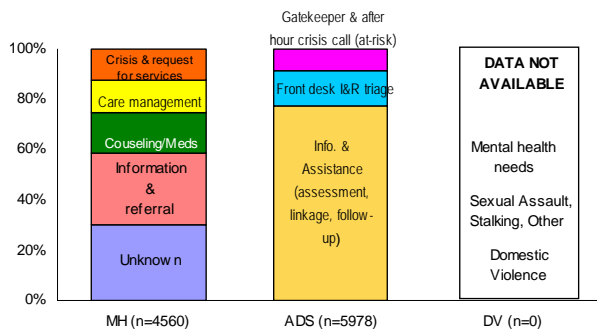

Mental Health Verity Inpatient Days

MH Inpatient Days Per 1000 Verity Members

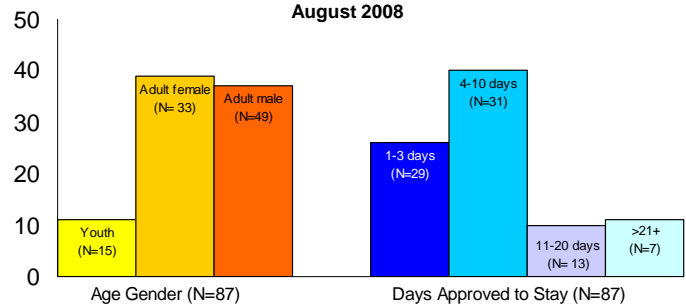

The County pays an average of \$4,200 per discharge for each Verity only inpatient stay and \$1,100 for Medicare/Verity dual eligibles. The August average length of stay per discharge is 9.09 days.

Crisis Help Line Call Or Response Type: August 2008

Verity Inpatient Admission/Discharge Profile: August 2008

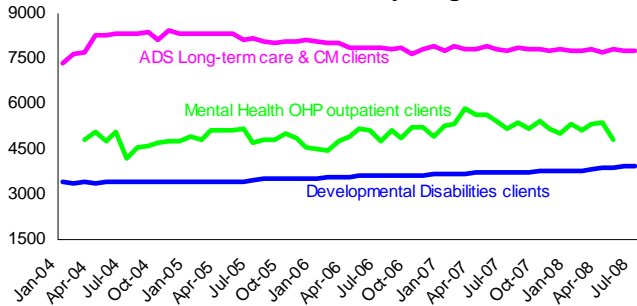

* The 791 paid bed days in August 2008 represent a total of 87 hospital discharges.

Notes: The number of food stamp clients has been rising steadily since data collection began in 2005 for an 8% total increase. After a spike in juvenile corrections clinic visits in July, August clinic visits were back to average. The Verity population continues to be high after increases starting in January 2008 resulting in a total 12% increase in population in the last 8 months.

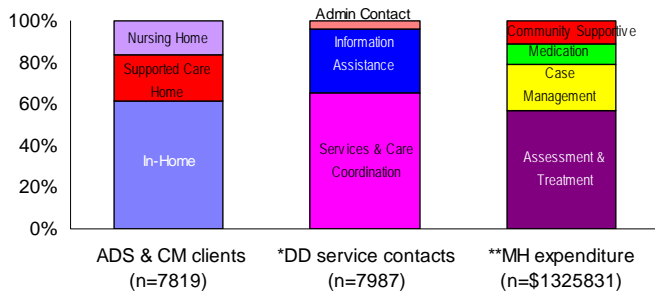

Clients and Case Management Services

Number of Clients Served by Program Area

*Mental Health data show a two month time lag as claims may be submitted up to four months after a visit. Monthly data will change slightly with each new update.

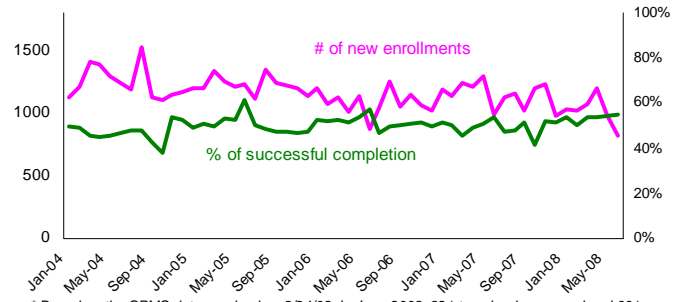

Client or Service Type: August 2008

* DD service contacts can now contain multiple services in one progress note.
** Mental Health expenditure data are from June 2008.

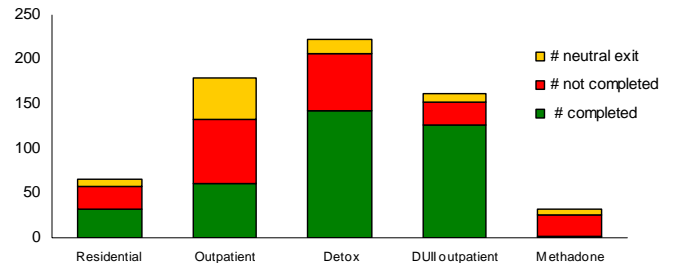

Multnomah County Addictions Treatment

A&D Treatment Enrollment & Successful Completion

*Based on the CPMS data received on 8/24/08. In June 2008, 821 tx episodes opened and 661 closed. The average successful treatment completion rate was 51% over the past 12 months. The monthly data will change slightly with each new update.

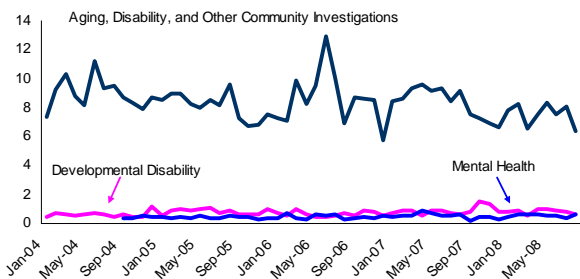

A&D Treatment Exit Type by Modality: June 2008

* Of 661 treatment episodes ending in June 2008, 55% (n=365) successfully completed programs, 32% (n=211) failed to complete, and 13% (n=85) had neutral terminations. All closed cases, no matter how they exited from treatments, were included in the denominator for calculating completion rates.

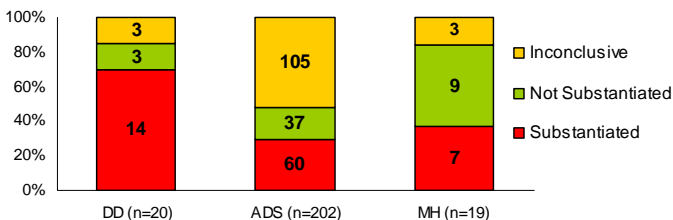

Protective Services for Vulnerable Populations

Average Daily Protective Services Investigations Opened

*Each program serves different populations. ADS is responsible for all protective investigations not covered by developmental disability and mental health services, so they have the largest client base.

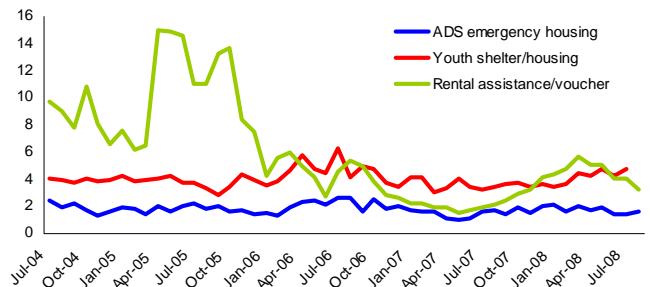

Investigation Case/Allegation Closed: August 2008

*Overall, 236 protective service investigation cases opened and 241 allegations closed in August 2008. Of those closed, 33.6% were substantiated (n= 81). MH 'not substantiated' cases include those that didn't meet the abuse definition.

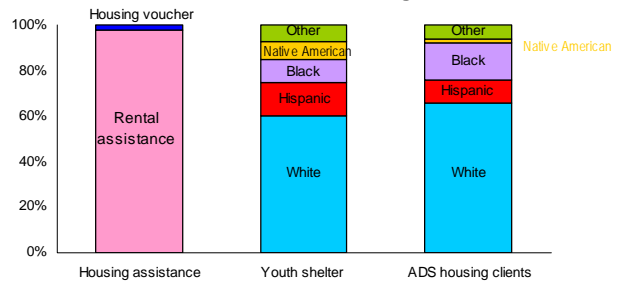

Shelter & Emergency Housing Assistance

Average Daily Clients Receiving Rental Assistance & Emergency Housing Services

* Data for this chart have a one month lag time.

Homeless Clients Served: August 2008

* ADS client counts include individuals living in the same household as the applicant. 'Other' includes individuals whose demographics are unavailable or undocumented. For Youth Shelter data, 'Other' includes mixed races.

Notes: After declining since January 2008, DD billable contacts increased 17% in the last month. DD and ADS opened over 20% fewer protective service investigations than last month. Rental services have been decreasing steadily for six months: a 42% decrease since March 2008 driven mainly by a decrease in family rental assistance. Youth shelter services are up 29% in the same time period.
