Notes. The District Attorney's adult caseload continued its unusual decline; detailed data is still pending the CRIMES-DSSJ interface. We were unable to determine which case types may have decreased.

The number of total active adult supervision cases also continued to fall from 9,392 to 9,334.

The Juvenile Diversion Unit was disbanded in December; some cases were shifted to other caseloads where appropriate. All service categories increased except FAA; the two largest increases in juvenile caseloads were in gender specific and GRIT.
