Community Leader with Community in Mind

Dear Community,

I have lived in Rockwood my entire life and earned my K-12 education in the Centennial School District. I have grown, lived, and learned with all of you and I am now ready to serve your families and future generations as a member of the Centennial School Board.

Together, we can make Centennial School leadership reflective of the families it serves and improve educational outcomes for all. I'm passionate about leadership and I know that our community is stronger when our students and families succeed.

Erica's Priorities:

- Recognizing that **student success** is tied to more than the classroom experience.
- Addressing the **Mental Health Crisis** among our students.
- Advocating for **School Based Health Clinics** to provide critical services like mental health and dental care to all students.

- **Creating Food Security:** COVID has proven that we can feed breakfast and lunch to all students at no cost to them. It's time to make this policy.
- Advocating for **Services for Students Experiencing Homelessness.** Homelessness is an epidemic and as your next school board director I will work hard to make sure resources are available to students and families.
