**Candidate Name:** Vanessa Lyon

**Educational Background:** University of Portland, BA; National University of Natural Medicine, ND

**Prior Governmental Experience:** Visions and Values Committee; Corbett School District

As a family doctor, my ultimate goal is the health and wellness of families. This last year has been incredibly challenging in terms of the physical and emotional wellbeing for almost everyone, especially our children. The unique challenges of meeting the needs of our children while balancing the health and safety of teachers and staff will be especially acute this next year. I have a particular passion to ensure students have access to mental health services, a physically safe school environment, and diverse academic opportunities. Not only do we need to meet these needs now, we as a school district must create a strategic 5-10 year plan, so these needs in addition to others, are met each and every year.

**If elected, I intend to advocate for the following:**

- Consider "Kids First" in all decision making
- Viable plan for a safe building for our middle school students
- Commitment to ethical leadership
- Thorough, community involved search for permanent Superintendent
- Commit to stable funding for quality programs (academics, arts, sports, counseling, CTE)
- Continue the work addressing Equity, Diversity, Inclusion, and Antiracism
- Improved communications from Board and District with Corbett community

It would be an honor to serve on the Corbett School board. My children have thrived in this district and I look forward to helping shape an even brighter future for all Corbett students.

**Proud to be endorsed by the following members of the Corbett community:**
