Candidate Name: Leah Fredericks

Occupation: Project Manager Development, T-Mobile

Occupational Background: 20 years of experience in project management and development focused on real estate, permitting, construction and regulatory compliance.

Educational Background: Hamline University, BA Environmental Studies/Business; Portland State University, Master of International Management

Growing up, I received an amazing public school education and became the first person in my family to receive a Master's degree. I want to be able to share what I have learned through education and work experience to ensure that all CSD students have that same opportunity. I am seeking this position because I see the challenges we face in guaranteeing the long-term security of our programs and teachers and providing safe facilities for our students.

As a member of the CSD Board of Directors I will:

- Call on my extensive background in facilities development and budgeting to create safe spaces for our students to learn.
- Help select a Superintendent that shares our values of inclusion, fiscal responsibility, sustainable class sizes, mental health support and providing the excellent education that Corbett is known for.
- Collaborate openly and transparently with community members, board members and District stakeholders to evaluate challenges and perform the due diligence necessary to make informed and confident decisions that will serve CSD students for years to come.

While we do face challenges, CSD has dedicated and passionate teachers and staff, involved parents and amazing students that have overcome unprecedented circumstances this past year. As a fellow Corbett resident and parent of a Corbett student, I look forward to supporting all of us as we look forward to the future!
