Optional Info:

As a Fairview community advocate for over six years, I have championed fair and transparent government for all. My commitment, service, and volunteerism to our great and growing city, reaches every corner. From sponsoring recreation programs to balancing city budgets, and painting graffiti to urban planning, I work hard for our citizens and business leaders.

As Mayor, I promise to uphold fiscal stability and readdress economic development in Fairview. The \$4 million tax-payer funded business incentive program damaged our city's long-term fiscal health and needs to be reevaluated. Fairview should be businesses-friendly and promote growth, but not at the expense of its residents, homeowners, and infrastructure.

Public safety is a major priority for me. I was opposed to transferring our officers to Multnomah County, but understand why the decision was made. As Mayor, I also promise to work with the county to tackle issues that come from that decision, while continuing my support of community-driven programs.

I have the experience, knowledge, and record to ensure that Fairview prospers for all of our citizens.
