OCCUPATION: Gresham School Board Member: Human Solutions, Board of Directors, Secretary

OCCUPATIONAL BACKGROUND: Former Gresham Police Chief & Police Officer

EDUCATIONAL BACKGROUND: Willamette University, BS, Political Science

PRIOR GOVERNMENTAL EXPERIENCE: Oregon State Representative, former; Gresham School District Budget Committee; Multnomah County Commission on Children/Families/Communities

Dear Neighbors:

I've spent my entire life in service to the families of East Multnomah County. And as a school board member, I've made decisions that positively impacted the lives of children and families. In the last few years, we have accomplished:

- **Successful implementation of a construction bond, improving our schools for students**
- **Increased graduation rates**
- **Expansion of SUN Community School sites**
- **Focused on hiring a diverse workforce to reflect student demographics**
- **Expanded mental health and counseling**

Being a legislator, I had the unique opportunity to expand my horizon (seeing the big and small picture) and observe the chain of impact. I was a strong advocate for East County:

- **Supported resources to provide career and technical opportunities and STEM (Science, Technology, Engineering, Math) instruction**
- **Sponsored legislation to increase opportunities for children in foster care**
- **Served on committees supporting family services and housing**

- **Sponsored legislation regarding oversight, reporting, and discipline of law enforcement personnel**

With my role at Human Solutions, I see the increasing challenges impacting our students. Drawing from my experience in law enforcement and school board activity, I understand the strength in collaboration and community engagement.

As a dedicated lifelong learner, I intend to serve and engage our families, and improve educational opportunities for all students, in particular those students who have been historically under-represented.
