Optional Information:

Gresham has been my home for 30 years and I enjoy being part of this community. My wife and I are raising our family in the district and have a daughter that will beginning her education in the GBSD in 2022.

My intentions are clear and simple. I want to deliver transparency and accountability from a community that seeks solidarity. This will be best accomplished through a position on the Gresham-Barlow School Board. I want to ensure that our students get the very best education possible. Our kids are the future and we need to treat their education and safety as our top priorities.

My Focus:

-SCHOOL SIZE that meets the needs of our students and community

-SUSTAINABLE budgeting

-PROGRAMMING built for district interests

-TRANSPARENCY with integrity

I believe that positive alignment between the Gresham-Barlow Community and School District is necessary in order to provide the best educational outcomes for our students. I am willing to support significant changes in existing programming and leadership focus to give our students the best opportunities for success. We must set high expectations and provide opportunities for all types of learning for all types of students. Important facility issues, school budget realities, school size, and educational programming are top priorities in this work towards finding a common vision for our schools.
