Dr. Mayra Gómez: Lifelong Commitment to Our Youth & the Power of Education

"Mayra is truly invested in the Gresham community. She is committed to supporting and collaborating with teachers who love their students. Her experience as an educator provides an understanding of our students' needs and what schools need to do to close opportunity gaps."

-Carla Piliuso, Gresham-Barlow School Board

I have spent my entire career believing in our youth, and seeing how the power of education can affect them in life-changing ways. It was my own experience that led me down this path. I credit my success to the mentorship of family and community members who believed in me.

I strive to do the same for my students in Oregon public schools and as a Gresham-Barlow School Board Member. We have:

- Increased graduation rates
- Hired more school counselors & more diverse educators
- Passed a construction bond

I am running for re-election so I can continue to empower youth to finish high school, pursue education beyond graduation and inspire them to mentor younger generations in their communities.

Community Leaders Endorse Mayra for Re-Election!

"Mayra sees education as the social equalizer. She feels responsibility to advocate and give a voice to our disenfranchised communities and address equity issues impacting our students."
