Statement:

Lake Oswego School District immediately began planning for safe, healthy school re-openings upon closures in 2020 because of outstanding leadership by the Superintendent and her team. LOSD is planning for full time return to school in the fall and planning for long-term programs to restore student learning needs from the pandemic gap.

LOSD is one of the top districts in Oregon and has achieved national recognition through the efforts of past and current superintendents.

The role of your School Board is to oversee and direct the Superintendent. LOSD plans for students who will live into the 22<sup>nd</sup> century while implementing programs today. Efforts to address all students through public education can be found in the strategic plan, <https://www.losdschools.org/Page/7961> which addresses today's student health needs, sustainability for their future, and the lens of diversity, equity, inclusion and action in decision making.

As a school board member, Liz:

- Served twice as Board Chair
- Advocated and provided board oversight for the 2017 bond resulting in the new Lakeridge Middle School, renovated Oak Creek Elementary, and safety upgrades at all schools
- Implemented board self-evaluation required for a high-performing board
- Hired two outstanding superintendents
- Completed Oregon School Boards Association board training at all levels
- Serves on the OSBA Board of Directors
- Advocates in the State legislature for stable education funding

It's time for Phase 2 bond planning to rebuild, maintain, and innovate District buildings.

Vote Liz Hartman to continue the successful work of LOSD.
