I have been very involved in our community in many capacities for 30+ years, primarily in the schools. 4 of my children went through the Oregon Trail School District. 3 of them continued their education at MHCC. I currently serve on the OTSD Board of Directors, which I have found to be interesting, challenging, educational and fulfilling. I am very proud to be part of this community that takes so much pride in our education system. This past year with the challenges COVID-19 has put on school districts nationwide, I am proud to see how hard our District Staff and parents are working to make this temporary situation work successfully for our students. It has truly added another dimension to the phrase "educational system." Now more than ever it is vital to have folks you know and can reach out to representing our community.

Also in my profession, I have developed key communication and listening skills as well as strong relationships with many of you in our community. I have gained insight and perspective about what quality public education means for our children and our local economy. These key factors are important in continuing to advocate for our community, parents, students and staff on the MHCC Board of Education.
