**PROGRESSIVE. PROVEN. ACCOUNTABLE.
A LEADER FOR ONE PORTLAND**

For nearly 30 years I've worked with community leaders, businesses, and faith communities to create solutions that work for all Portlanders. There aren't easy answers to complex problems and I have the experience, tenacity and desire to make progress on Portland's toughest challenges so we can create real solutions that work for all Portlanders.

Housing: I'll work to drastically increase our supply of affordable housing, provide dignified options for houseless residents, and create sensible tenant protections.

Access: It's time to get big money out of politics and ensure that ALL voices are heard at City Hall, regardless of their political contributions, that's why I supported Portland's Fair and Accountable Elections policy.

Climate Justice: We can reduce harmful emissions, advance energy efficiencies, and create living wage jobs with smart policy like the Portland Just Energy Transition.

Police Reform: A cornerstone of public safety is trust, and police must be partners with the entire community. This begins with better training, better community dialogue, and sensible accountability.

Now more than ever we need people who create solutions. I ask for your vote to help solve Portland's biggest challenges and create One Portland that works for us all.
