Healthy Minds, Happy Children, Hopeful Futures!

A good education is a critical foundation for a successful life. All our children deserve the opportunity to live and learn in safe and healthy communities in schools that support their learning styles and needs, engage their families, and foster community.

As the child of an educator, I was fortunate to have an advocate in my corner all the way through school. Even so, when I experienced the evaluation process for speech, ADHD, language proficiency, and the Talented and Gifted program it was not an easy process for my mother to navigate. I can not imagine what that process would be for parents who are limited English speakers, immigrants/refugees, or parents not familiar with the education system at all.

As a school board member, I will support additional efforts to involve parents, foster parents, and guardians in their children's education and district-wide decision making. I will also be the voice for all students who have been traditionally underrepresented.

Proudly standing with Aaron:

Ricki Ruiz, Oregon House Representative
