### **Reynolds School Board Members, Ana Gonzalez Munoz and Yesenia Delgado, Endorses Cayle!**

Every day I work with families in East Multnomah County to make their lives better. Many of these families are marginalized members of our community who haven't had access to the information and resources that all need to be successful.

It is the experiences of these families that I will bring to my work as a school board member. My priorities include:

- Strengthen partnerships with community organizations and leaders.
- Work towards building an education system where all kids feel welcome and reflected in the curriculum.
- Make sure all kids have access to comprehensive health services.
- Help our teachers create a positive learning environment, and ensure the safety of all students.

*"Cayle has dedicated his professional career to serving his community, which gives him a deeper understanding of the many social issues plaguing our communities today. Please join me in supporting Cayle for school board."* -Gresham Councilor Mario Palmero
